2 hours ago

Please pray God's will in the situation with Scott. God knows what he has been doing and not doing. Please pray that the Owners would see and realize the truth and problem. We pray that the two managers would not be able to lie or cover up for Scott anymore. It needs to stop and we pray for God's divine intervention to deal with the situatun with Scott. Pray that Scott would do his work or get out or that God would intervene and remove him. No more cheating and lying about hours, abusing and taking advantage. God you know everything that Scott is doing, please intervene and your will be done. Go over the managers heads and let the Owners know the truth about him. In Jesus name.

Marriage reconciliation

2 hours ago

Lord there are so many marriages that are being attacked by the enemy. I lift up those standing for their marriages. Give them the ministries they need to fight the evil one. Direct their paths. bring home the prodigals. I come against the spirits of divorce and separation. I come against the witchcraft and curses that have been coming against marriages. I pour the Blood of Christ out over these marriages and command the spirits, curses and spells to be cast back into the pit. Revive marriages Father. Bring back the Blessings of marriage that You gave on the day we wed. Remove the spirits of anger and self righteousness. Remove the angry man. Turn the homes of ruin into sanctuaries for You to dwell in. For those who are going through marital issues turn to the Lord call on His name. Be fervent in prayer and always use Jesus name and The blood of the lamb to remove what is against your marriage. He will answer you in his time. Father we stand for our marriages. Turn the hardened hearts of those who left to soft flesh and whoop them back to You and their spouses. IN JESUS NAME we pray AMEN AMEN AMEN

An Anointing on his Life

Lord, please pray for a dear friend of mine to watch Joel Osteen and be anointed by his teaching. He has asked me about Joel Osteen, so I know he is interested. He respected Billy Graham and told me so several weeks ago. I just pray he will be reading about his life as there should be a lot of information out there since Graham's recent passing. Dear Lord, keep him searching after you. He has had a major setback recently and fell back into lying and deceitful behavior. I have been very disappointed in him, and we are currently not able to speak. I pray this will change. I keep praying for him. Please pray for him and our relationship. Help him to know the truth and for the truth to set him free. Pray that God would help us to stay in Peace. God bless. Amen.

For him to respect this and stop trying to hurt me with angry words that are meant to hurt. For God to speak so clearly to his heart that he has to hear it. Feeling betrayed. (Sexual content)

Mar 9, 2018

PLEASE ONLY MATURE PEOPLE. I DONT FEEL LIKE HAVING JUDGMENTAL ADVICE AT THE TIME. SO PART ARE GRAPHIC. So I have been with my girlfriend for 4 months now, and things have been kinda bumpy, but overall it has been a great experience so far. She is the type of girl who enjoys going out with her girl friends from time to time to have fun. On Sunday night before I went to bed, my girlfriend reminded me that she was gonna go out with one of her friends because she hasn't hung out with her in a long time. They went out and they had some drinks at a club. I guess her friend was ready to go and left with her bf, while my gf decided to stay longer because she knows people who are usuals at the club. This is when my heart breaks. I guess there was so guy who was really pushy on her trying to dance with her and after being denied enough I guess my gf decided to dance with him for a little. As the night continued she was very drunk and was ready to go home but she said she couldn't really call an Uber because she was very drunk. The guy offered to take her home and he took her to a hotel or something like that she said. At the time she did not know where she was though it was only after she sobered up a little that she was able to comprehend where she was. (Anyways) he took her there and had sex with her. She is cut up inside vagina from it and she told him that she just wants to go home and has a bf throughout the time. I found this out like 4 days later which is today. I'm SO HURT AND CONFUSED AND PISSED!!!! I don't know what to believe or act on. She said she didn't give even 1% consent to him, and was 100% against the whole thing. She said she was taken advantage of because of how drunk she was. So I am in the position of do I believe her and assume it was essentially rape? Or do I think she's lying and consider her cheating? But yeah she does have a cut inside her vagina because of the force the dude used most likely and because she wasn't wet. She broke down crying to me that it was out of her control, and usually when she messes up and calms down she will say sorry as if she recognizes her mistake. She has not said sorry which is implying to me that she truly could've been taken advantage of. Sorry for the long explanation but thank you for reading this. I haven't made any decisions yet and am by her side with love and support. My heart is definitely broken though. Please pray for her, me, and us. Any advice is welcomed. Love you guys

In need of prayers and a miracle

Mar 9, 2018

God I pray a shield of protection around Tim and Kim's marriage. Having a blended family, a mental illness and 2 unreliable jobs puts extreme stress on a marriage. I pray for that God would provide job stability for both. They have many situations stacked against them that causes stress on their marriage. Satan wants nothing but to destroy this family. I pray that you give them strength to rise above it. I pray that they strengthen their relationship with you first and then their marriage. I pray that their pastor and church reach out to them and mentor them. Please Jesus in need of a miracle. Bring peace and calmness to their hearts and home.

Mar 9, 2018

Good morning, Recently I have put myself into a pretty ugly spot with my immediate family as well as my extended family. I am asking for the prayer warriors once again to pray for my situation. I am asking for favor and healing with myself, immediate family, extended family and the courts. also, for restoration of everything that satan has stolen from me and the strength to be an over comer.

Car, ice, alley

Mar 9, 2018

Prayers needed: that our car starts and run safely & efficiently; that we get out of & into alley safely & without skidding or getting stuck; that the ice melts & the moisture disappears, or that the ice deteriorates into porous bumpy mush. This is the kind of stuff that wakes me at night &/or sometimes keeps me awake when I should be sleeping. I cannot take this anymore! We worked hard on the alley & driveway, & are sore. Have been housebound because of this since Monday! I need to get out! Prayers please. I cannot afford taxi or Lyft or Uber either. I need to use our car. But the sun is pretty. I hope it does its job on the ice & water.

Marriage

Mar 9, 2018

My marriage is on the brink of divorce. We've been together for 22 years, married for 8 and have two children. There's been mental and emotional abuse that I was not aware of since the beginning. It's only been about 4 years ago that the counselor opened our eyes to show that it was abuse and I wasn't screwing everything up. We've been in counseling for four years and there is so much hurt and anger on both sides that nothing is improving and we are both so miserable. I've been seeking God for guidance and I feel he's been leading me towards the path of divorce. I know how I'm being treated is not what He wants for me. I told him I wanted a divorce and he begged for another chance and telling me that neither of us have tried our hardest. I don't want to walk away thinking I haven't tried everything. We have two children and my fear is if we stay together, they learn this is a healthy relationship and end up in the same one as they get older, which is exactly what happened to me. Please pray for God to show both of us the path he wants us on and bring clarity to us both...I know through prayer, God will show us. I just need more prayer than what I can do. Thank you!

Marriage reconciliation

Mar 8, 2018

Lord there are so many marriages that are being attacked by the enemy. I lift up those standing for their marriages. Give them the ministries they need to fight the evil one. Direct their paths. bring home the prodigals. I come against the spirits of divorce and separation. I come against the witchcraft and curses that have been coming against marriages. I pour the Blood of Christ out over these marriages and command the spirits, curses and spells to be cast back into the pit. Revive marriages Father. Bring back the Blessings of marriage that You gave on the day we wed. Remove the spirits of anger and self righteousness. Remove the angry man. Turn the homes of ruin into sanctuaries for You to dwell in. For those who are going through marital issues turn to the Lord call on His name. Be fervent in prayer and always use Jesus name and The blood of the lamb to remove what is against your marriage. He will answer you in his time. Father we stand for our marriages. Turn the hardened hearts of those who left to soft flesh and whooo them back to You and their spouses. IN JESUS NAME we pray AMEN AMEN AMEN

I recently gained weight back after losing weight and keeping it off for some time. I just found out that it is the hormones the doctor put me on the last several months make you gain weight. I stopped taking them two days ago. Please pray if I need to be put on any more medications that it will not cause any more weight gain, and hopefully help me to lose weight again. Lord forgive me for being a glutton on occasion. Most of the time I am very disciplined. Please help me to trick my body into dropping pounds again. Help my body to become better at burning fat again. I had lost 70 pounds, but now it is coming back. Help me to figure out something new that works for me. Lord please heal me of all my food allergies, and pray that the latest breakout from food allergies would go away and not leave painful scars on my face and elsewhere. God bless. Amen.

I may get to celebrate my birthday

Mar 8, 2018

This request is going to sound unimportant but I'm 52 years old and have never had a surprise party or even anyone take me to lunch. My birthday was only important to my mom. She always got me a card and told me she loved me. She had passed away so there's none that cares to celebrate my life. I get invited to others birthday parties and have even helped throw the parties but none cares to celebrate mine. Today I got a message from a friend telling me not to plan anything Saturday. Usually these things never happen but if she follows through there will be one person that cares enough to celebrate my life. This would be a blessing that I've been longing for for so long. The fact that one person cares is great with me.

Job opportunity

Mar 8, 2018

Since 2003, I have been pursuing a career path that has been driven by wanting to help soldiers. There is a job opportunity that is just 1 mile away from my home; but I am not the licensure that they are requesting. I am asking for prayers that if this is where God is calling me, He will open the hiring officer's heart and mind and see that I would be a good fit.

For Holy Repentance to Happen

Mar 8, 2018

Let deep meaningful change come. I ask for salvation of this person that means so much to me. Convict him father of the life he is leading. Help him to see that deliberately deceiving others is very wrong. Let every lie penetrate his heart. Let it hurt as it hurts those of us he has lied to and even slandered to others. Pray that he will be able to face the truth of these deceptions: That they are sinful. Let conviction, compassion and change come. May God help him to be able to release his anger in a better way. Let me be the godly woman to help him and bring him to you. May he realize all this to be true and let it change his heart for the better. May we speak tonight. May God bless our future conversations with kindness.

Scary work trip

Mar 8, 2018

I have to go on an 8 hour round trip in the cab of a truck with the main warehouse manager of our moving company. I don't think he's happy to be going. At 4am. When I told him that I (the newest temp) had been chosen to go with him, he looked disgusted. I am a 38 year old mover with disabilities that sometimes make people think I'm unintelligent. I do my best. Please pray.

An Anointing on his Life

Mar 8, 2018

Lord, please pray for a dear friend of mine to watch Joel Osteen and be anointed by his teaching. He has asked me about Joel Osteen, so I know he is interested. He respected Billy Graham and told me so several weeks ago. I just pray he will be reading about his life as there should be a lot of information out there since Graham's recent passing. Dear Lord, keep him searching after you. He has had a major setback recently and fell back into lying and deceitful behavior. I have been very disappointed in him, and we are currently not able to speak. I pray this will change. I keep praying for him. Please pray for him and our relationship. Help him to know the truth and for the truth to set him free. Pray that God would help us to stay in Peace. God bless. Amen.

St. Jude

Mar 8, 2018

I had a series of scary tests and prayed to St. Jude everyday for good results and strength. I was overjoyed and blessed to hear the doctors report this week. I'm sharing this novena as a promise to sweet, powerful St. Jude. O Holy St. Jude, Apostle and martyr, near kinsman of Jesus Christ, faithful intercessor of all those who invoke your special patronage in time of need, to you I have recourse from the depth of my heart and humbly beg to whom God has given such great power to come to my assistance. Help me in my present and urgent petition. In return I promise to make your name known and cause you to be invoked. Say 3 Our Father's. 3 Hail Mary's and 3 Glory's. Publication must be promised St. Jude. Pray for us and all who invoke your aid. Amen. This novena has never been known to fail.

For God to replay the conversation in his head for him, so he will remember it accurately. Help him to be able to hear how he was yelling and interrogating me non-stop. For him to respect this and stop trying to hurt me with angry words that are meant to hurt. For God to speak so clearly to his heart that he has to hear it. Worry/anxiety

Please God help me ease my worries. My current job is unstable. My office is closing due to company restructuring but I have been given the opportunity to work from home. Please God help me find a better job..a job that is more stable and maybe a higher salary. Please God ease my anxiety over the fear of not being able to provide for my family. God you know that I have spent many years in college but I have no degree and student loan debt. Please God if it is your will show me a sign if I need to back to school and get that degree. Please God if going back to school is what I need to do please help me find the funding to go back. I am worried that we cannot afford me to go back because we just got a new car. Please God I need help in my marriage. God I need help in being more communicative and open with my wife. Please God help overcome the fear I feel when talking to her. Please God help me overcome the fear of her having a negative reaction to what I have to say. Please God help me in my tone of voice when I talk to her. I need your help to stop shouting and snapping at her for the smallest things. Please God help me and my family with our finances and shopping. We are in the process of filing for bankruptcy to due over spending with credit cards mostly. Please God help us to be more frugal with our monies...we have enough to pay all our bills but often buy things that are more of a want instead of a need. Peaceful March

Mar 8, 2018

Really am needing some peaceful restorative sleep at night with healing dreams. This has been an unusually stressful year. Finances tight. Relationships seeming shaky. Many things needing repair & maintenance due to their age. Transportation problems. However, God calms my anxiety when I turn it over to God. Nature is beautiful. Pets & family are loving. Hobbies are satisfying. Much to be grateful for. I just feel a bit more tired because I'm up a lot at night. Easier to get calm in daylight. Hard to get back to sleep usually. Body needs healing sleep & dreams every night so I can deal with stuff in daytime that is necessary. So here's that. Also prayers for all the people on my life & on their lives: that all their needs are met, especially healing & calming . Etc. the list goes on... sorry. Prayers please & I will pray for your needs too.

Needs not wants

Mar 8, 2018

Finances here at our house demand that needs must overpower wants. I'm just catching up on some past due bills and just because things look a bit better I'm being tempted by wants that are not needs. If I give in to temptation to buy a couple of my wishlist items, we will be in deep financial trouble. Praying for strength to ditch these wants for the next few (9 or 10) months, & to be content with the good we have now. Just even thinking of these wishes & wants makes me anxious and sad. Prayers please! My life is good enough, there is plenty of stuff to content & satisfy me now. I need to constantly remember this!! I do not need any more financial woes. I want to pay my obligations & have enough left over for groceries & car gas. Not a big request! Prayers please. Too much tempting stuff out there. Simple blessings should be enough: nature, family friends, music pets, already-stocked hobbies. Just saying....

My two grown daughters are married to men that we(my husband) and I feel that they are not the right person. One son in law lies, steals, smokes pot and is abusive to my daughter and to me. This daughter deals with borderline personality disorder. The other son in law is a bully and lies all the time. They have a 3 year old daughter. Who we can see already she has anxiety issues. Both couples treat me poorly. I am feeling lonely, sad, and very hurt by all of them. Please pray for me not to let their behavior affect me so much. Please give me strength to not get offended so much. Thank you in advance for your prayers.

Calm my mind and body

Mar 8, 2018

Dear God, I just had another birthday and I'm looking where I am and when I did this I felt a wave of grief. I'm not where I wanted to be. I am over 55 and alone. I didn't want to be single but I married with the hope of finally having someone with me. The marriage ended for very poor reasons but the person I married I did so because I was afraid to start all over again. Today I really am isolated and I have trouble getting good out of my life. I work but I live trying to get ahead of my bills and hoping this new job will become the stable job I need. Being laid off from a job I worked for 30 years along with 3,000 others has turned my life upside down. Please Lord be with me and help me to have peace. I feel anxiety and look back to the past too often. In the name of Jesus please help me to make my life more fruitful and to have peace and financial stability. Thank you Lord

HEALING FOR MY FAMILY AND ME

Mar 8, 2018

Hello Prayer Warriors, Today's prayer is for my family. I pray there can be a tremendous healing for Crystal, Dyson, Alexia, Mary Lou and myself (Marc) for renewed faith, forgiveness, love, compassion, peace and understanding. As I indicated yesterday, I have made some for decisions that have physically and spiritual ripped our family apart. I am not sure of what the long term plan is right now but I can't worry about that now. I need to focus on me and myself only right now or the rest of it will never matter or mean anything. 1st I have severe trust issues with letting people in, 2nd I stuff everything in and is very destructive to me and those around me and when I release things, they come out in the worst way possible and is directed at people that love me and not the people it should be directed at. also, I have severe issues with my mom and dad for things that have happened in the past both on my side of the street and theirs, unfortunately they have both passed and the issues can not be directly hashed out with them. So, this leaves me to trust in God, and having issues with trust already, I have an extremely tough time actually believing and trusting in GOD. I ask for prayer in the following for me, true forgiveness for me and things I have done to people as well as things that have been done to me. To forgive is to forget, right? I feel like I can not forget these things and it keeps a vicious revolving door going and it needs to be resolved once and for all. 3rd is to see myself the God and Jesus see me and actually believe it. 4th is to always be positive in every situation in life. 5th is to always respond in love no matter the situation. 6th is to truly LOVE myself so I can love my wife Crystal, my son Dyson, my daughter Alexia, and my mother in law Mary Lou the way Jesus Christ has intended!!!!!!! thanks so much for praying as I will be posting daily prayers for a while:)

God Help Me

Mar 8, 2018

No one really knows this, but my husband and I are separated but still living in the same house. We still have one 5th grade child living in the house with us and older children that are grown. My legal husband has been following me around the house non-stop almost like he is stalking me. It is unnerving. He makes me so nervous that I cannot think straight. He also tells lies to our adult children, to the point that he is brainwashing them. He is a total narcissist. I am handicapped because of a car accident that happened because he took my new tires off of my Tahoe, which I paid for with inheritance from my grandfather. My husband could not stay out of casinos, so he could save money for his own Tires, so he made a calculated plan to steal mine. He got four used tires that were bald and taken off his father's truck. He told me he was meeting his father to get a "spare" tire for his truck. I asked him why he would drive one and a half hours to get a "spare" tire when he could get one from Isanti Tire for twenty bucks? He did not answer me. A week later I saw four huge bald tires in his garage. I asked him why are we recycling your father's old tires. Can't he recycle his own? Why do we have to pay to recycle his father's tires? I got no answers to these questions. Later he snuck my vehicle up to the tire shop and had them put on my vehicle. He, of course, took my new tires for his truck. I am still healing, still in therapy, and still needing at least one more major surgery coming up. Please pray against any more abuse from him towards me. I do not have a way to pay for separate housing for my daughter and myself. Please pray God convicts him of his abuse to me and therefore our children. I need a lot of prayer for continued healing for my body and my nerves. God can make a miracle for us. Amen.

God are you there?? Intervene

Mar 8, 2018

God I pray a shield of protection around Tim and Kim's marriage. Having a blended family, a mental illness and 2 unreliable jobs puts extreme stress on a marriage. I pray for that God would provide job stability for both. They have many situations stacked against them that causes stress on their marriage. Satan wants nothing but to destroy this family. I pray that you give them strength to rise above it. I pray that they strengthen their relationship with you first and then their marriage. I pray that their pastor and church reach out to them and mentor them. Please Jesus in need of a miracle. Bring peace and calmness to their hearts and home.

Prayers for healing and peace

Mar 8, 2018

My family needs prayers for quick healing. Both my mother-in-law and father-in-law have broken their legs. My father-in-law is still in the nursing home for rehab, and mother-in-law is at home. Neither is able to get around well or drive yet. They are having a lot of pain and it is very discouraging for them. My husband goes in for hip surgery next week and will be out of work and unable to walk or drive as well. I have a full time job and 3 kids - so I'm not sure how I will do it all. I pray for quick healing and peace for the three of them, as well as hope. For me, I pray for the ability to handle all of this, and for the courage to ask for help from others when I need it. Also the ability to handle the situation financially.

I have faith in this as our family prays for our son Scott Popa who is also a father and brother to be exonerated for a crime he was erroneously accused. I have asked before and received many prayers, a heartfelt thank you for them. I am asking again for your prayers that justice will be served and that we can raise enough money on his go fund me page to hire an attorney as he was denied a public defender. Why he was denied I do not understand all the reasoning but this is where we are at and praying, praying, praying. God is good!

Prayers for Granddaughter

Mar 8, 2018

Yesterday, my daughter asked me to pray for their 5 year old Granddaughter. She is the middle child. She is a lot like my older sister and that they know what they want and push the limits. My daughter is pregnant with their 4th child and the 5 year old is excited about new baby coming later. Please pray for direction for parents on how to handle this. As a parent, I say that it is because she is middle child and that she needs alone time with parents. Time for herself with mom, etc. But I do not know the mind of this child either. Pray that God will work in the lives of parents and children. Pray that the Holy Spirit will draw the granddaughter to Jesus. Pray for this child to have an annointed gift from God! Pray that Jesus will heal all her wounds if she has any... My daughter and I both knew Jesus at 5 years old. Pray for their children to find Jesus at an early age....

PLEASE Sons marriage and peace

Mar 8, 2018

I know this is a little long so thank you for bearing with me in this trial. All my brothers and sisters in Christ who have been called to pray for others, God bless you. I need an immediate prayer, to intercede taking my son Dustin to the Our Heavenly Fathers throne and his marriage. I have faith, I do, life has thrown so many tribulations lately. I'm older, worked all my life along with my husband. We are homeless now, living in a motel (praise God) for a warm room, with my Son and his wife. We have kept our faith and spirits up and know that this discipline or direction is for our own relationship with the Father and his precious Son Jesus. My daughter in law in the last 2 weeks has been gone ALOT, hanging out with a woman who is feeding her with satans lies against this holy Union. Now, my Son, is totally beside himself, as his wife has not returned home in a week and is staying with this friend and has been lying and wil not respond to any of us. Just FYI... my son is a great, kind, loving husband, and my daughter in law is kind and loving. I know God won't affect free will, but God Dustin has been through so much... more than most people could bare in 10 lifetimes and still has kept his faith, although right now he feels you have abandoned him! Please pray Jesus will come to his rescue immediately, I don't think Dustin can take much more... I am worried he will do something to himself. So I ask for these in the name of our savior. That those ministering angels, that come in the name of Jesus speak to my daughter in law, that any woes, curses, or lies spoken over my son, and his marriage are immediately broken and cast back to hell, that the arrow tips are covered by the blood of our savior, that Satan and his cohorts will know my sons peace and marriage is saved through the blood of Jesus, and until they are reunited that not one hair on my son or daughter in laws head is demised by themselves or others. That Jesus blesses Dustin to wake up and have each moment overflowing peace in the name of Jesus until the reconciliation, knowing God loves him! That Dustin and Cherries marriage is in the book of marriages in heaven and never divorce. That any path that is laid out and Satan is leading, my daughter in law will stop and realize what she is doing, that she is saved by the blood. As far as the friend being led by Satan, God forgive Kelly and helps her to find Jesus, please bind and her mouth from her lies and misleading and expose those lies to my daughter in law. Thank you God for your immediate intercession. You are the only one with your Son to help us. You are so loved. Thank you prayer warriors!

Drinking too much!

Mar 7, 2018

My husband and I are going through a tough time. We are really strapped for money and the bills are piling up. Our house is falling apart. His work has dried up and I'm worried. The worst part is that to cope, I've started drinking more than I should. Please pray for more work for my husband and for me to slow down on the daily drinking. THANK YOU.

Colon surgery

Mar 7, 2018

Please pray for me and my husband. He had surgery on February 20, 2018. It was supposed to be a easy surgery, but when the surgeon got it there his intestines were adhered to themselves and to the inside of his belly. The surgery took six hours. My husband is still in the hospital now he may have an obstruction and or a twist in the intestine. He is unable to eat anything. He has a PICC line in his arm for nutrition. This was supposed to be a easy surgery and he is our only income source. If he is going to be out of work for possibly months it isn't going to be easy to pay our bills. We are in desperate need of a miracle. I know anything is possible with God. We need to see him in a big way...

Cleanse His Heart, O God

Mar 7, 2018

Dear Lord, I just ask that you speak to his heart today, and heal his stubborn and angry tendencies that do not serve him well. Pray for a peaceful conversation even today Lord, and a time of healing for both of us. Please pray for total healing to take place for all of the anger issues and the tendency to allow Satan to speak in his mind. Please pray that he will realize that the negativity and the anger does not come from God, but from Satan. Pray for the confusion to be gone and for clarity of mind to be present. Please pray that God will help him to plan his days and cleanse his angry heart and make him whole for his future. God bless. Amen.

For God to Have His Heart

Mar 7, 2018

Dear Lord, I just pray the truth will be known by someone dear to me. That he will realize he made a terrible mistake accusing me of things that I have not done now or ever. For the paranoia that he has to be gone now and forever, and for him to realize that I only spoke the truth to him and was in no way trying to manipulate him. For God to replay the conversation in his head for him, so he will remember it accurately. Help him to be able to hear how he was yelling and interrogating me non-stop. For him to respect this and stop trying to hurt me with angry words that are meant to hurt. For God to speak so clearly to his heart that he has to hear it. For today to be a new day with no anger in it for both of us. For a reconciliation to take place and for it to honor God. For our tomorrows to be filled with love and kindness. Alleluia. Amen.

20 year on/off struggle

Mar 7, 2018

Hi all, I have struggled with pulling my hair since I was 11. I've prayed through it, had periods of time when I didn't do it. I know my identity is in who God says I am and I no longer identify as a hair puller or as having trichotillomania (name of condition). I'm now nearly 33 and I still struggle with as a form of stress relief. Can you pray for complete freedom and obedience to God in this area? I have accountability people and God is so good. I am choosing to continue to place my trust in Him in this area. And I believe I will have freedom. 2nd prayer story: God called me to truly be all-in for Him in 2016 and that meant to walk away from a long relationship that wasn't healthy. I'm so thankful he called me to himself. And my life has changed so much. I am walking alongside many believers. The reason I brought this up is my desired have changed. I once thought my life would go one way and now it's completely different. Like Corrie ten Boom in her books "the hiding place" and "tramp for the Lord" she decides her new life goal was to spread the gospel of Jesus around the world, his healing power through forgiveness and how Jesus can turn loss into glory. Can you pray for direction in learning how to navigate this renewed life I have been given. Though I feel stuck, what I do know is it's all for Jesus.

Beauty for Ashes

Mar 7, 2018

For an Honest Apology to come soon. For whatever reason my friend and I had a terrible misunderstanding recently, and I honestly do not know what caused this to happen. I truly did not understand most of it. He had told me that he loved me several weeks ago, and I think this scared him greatly. I think he had a full blown panic attack. It was almost like another person was speaking (screaming) at me. I could not make him calm down. Please pray that we will be able to have an honest conversation that will be non-judgemental and understood by both of us. We were both left very upset and unhappy. Please pray that he will be able to take some responsibility for his behavior patterns and change them in the future. Please pray that we will learn to communicate much better with each other, and that God can be glorified by reconciliation that can only come from Him giving us both Beauty for Ashes. Dear Lord, Jesus, Our hope is in YOU for a new beginning. Prayer for complete restoration. Help us to communicate better. I'm often misunderstood, Lord Jesus let him see my heart and trust my good intentions. Remove all that is defensive and judgmental, and let us just understand and trust each other in a new manner. I asked him to please treat me as he would want his sisters to be treated. This statement greatly upset him; however, I pray he will seriously consider this request from me because it is true. He tends to get overly loud and carry on without allowing me to speak. Please pray he will realize that he needs healing from the trauma of past relationships, and for him not to assume that I will be dishonest as well. Please pray for him to call and apologize to me soon when we both have the time to speak. This has totally stolen my peace of mind, and I am looking forward to brighter days together soon with happier memories full of kindness and love. Please pray we will speak very soon. Alleluia. Amen.

All Three are Struggling

Mar 7, 2018

I have the greatest blessing of being able to say I have the greatest "mom" and a sister from another mister. My "mom", I met her 6 years ago, she is the coolest, kindest, prettiest, caring lady I have ever met. Recently, she was just diagnosed with ALS. She took a pretty bad fall and broke her wrist. Her other hand isn't that great at functioning due to the ALS. In addition to her ALS, she also has a daughter with Kleeftstra's Syndrome. She is one funny, witty, beautiful girl. She gives light to the world no matter how dark it is. Unfortunately, the ALS makes it hard for the mother to take care of her daughter, except I get to help them out so much which I love. In addition, there is a trial coming out to help slow down ALS symptoms with 75% of the patients getting the working pill and 25% of the patients getting a placebo pill. Lord, I pray that you give this amazing lady the working pill, so that we can keep her here on this earth as long as possible. I pray for God to continue sending his healing power of love to these special people. God is Good, and he has a plan for everyone. I pray we all see the path he has for us and that he gives us what he knows we can handle. Peace to all. Amen

Surgery

Mar 7, 2018

On Thursday the 15th I'm having Parathyroid gland surgery....I'm asking for prayer that God will be with me and take care of me. That everything will go well and no complications before, during and after surgery....that God will comfort me, protect me and give me peace. Pray I won't get sick after surgery. Pray for my husband and 4 children and family give them peace that everything will go good and trust that I'm in Gods hands. When I found out I had this problem and needed surgery...I prayed that God give me the strength and peace to get through this. I've had peace and trusting God this far...but just pray that I continue to have that peace and strength and trust God he will get me through and take care me-it's only a week away. Jesus says in will never leave me or forsake me. Jesus I need your loving arms wrapped around me and keep me safe and get me through surgery and recovery. Thank you. In Jesus name Amen

Broken Relationship

Mar 7, 2018

I need prayer for myself and the man I love. I was in a relationship with a man for over a year and I really loved him and still do. Our break up isn't a week old. A lot of emotional damage was done during our relationship. He has been addicted to meth for about ten years. I didn't know he used when we first started dating, before I fell in love with him. Because of his addiction and the demonic strongholds in his life he cheated on me many times and lied about it. He also at times became physically abusive and was frequently emotionally abusive. Right now he is in jail for kicking in the door to my house because it was locked. He is being charged with domestic assault and may be looking at 17 years in prison. In my victim's statement I am allowed to make a request as to what I think his sentencing should be. I am going to request that instead of prison he have to do a year minimum at teen challenge. I hurt so much because of his secrets and lies because I love him so much and we were engaged. I need prayer for guidance and healing and he needs prayer to find God again, heal, be let loose from his strongholds and bondages, and become the man God has created him to be. I am not sure if we are meant to be together but I still want the best for him. I feel God has big plans for my ex due to the life he has lived. He was abused as a child, addicted to drugs, most of his life, has abused and cheated on most of the women in his life. Once he has God in his center he could touch thousands with his life's story and help so many as an advocate. Please pray for healing in both of our lives, that we both get back on the path God has paved, and we are able to move forward and prosper.

For the Whole Truth to be Known

Mar 7, 2018

For the REAL truth to be known and for a deep healing to take place. For a dear friend who has been telling tales that are not true; unfortunately, I think he has convinced himself they are true stories. Please pray that as he sleeps that God will speak to his mind bringing peace and comfort and taking away any unrighteous fears that he has currently. Please pray that God would speak the truth to him, letting him realize he has been deceived by satan's lies. Pray that the fear and paranoia from satan will be gone in the name of JESUS!!!! Pray that he would be healed of his extreme reactions of anger and panic. Pray that our next discussion will be free of any demonic strongholds, and that he will know that I have only and always spoken the truth to him. Pray we can learn to be better friends to each other from now and let not our trust in each other be broken. Alleluia Jesus!!! Amen.

Pray for a Financial Breakthrough

Urgent: We have been waiting months for this. Please pray that our tax refund from 2016 taxes would finally be processed and in our bank account. We are without any legitimate income until that comes. Please pray for our automatic bills to be delayed until there are funds in there to cover them. My husband has been out of work for several weeks now due to surgery, and his union job does not allow short-term disability, so there is no income until several weeks after he is back. He will be paid his one week of vacation, but I am not sure when that will come. Please pray it will be soon. I just spent the rest of our money on prescriptions for my daughter and me. We will need more medicine within the week. God bless. Amen.

Healing of boy in critical care

Mar 7, 2018

Dear Heavenly Father, Lord we boldly come before you, recognizing you as our Lord and Savior, the alpha and Omega, the one and only true God. We know you as the ultimate physician, the ultimate healer, and the one with the Master Plan. We do not know what your plans are, and don't need to know, however we KNOW and TRUST your plan. We pray for your will to be done above all things. Our hearts are hurting, our bodies are fragile, and when we face times as this one, it all intensifies! Lord, sweet baby Kai is struggling for his young life. There is a heart full of love, joy and potential for sure! Born with asthma, that was deemed healed before leaving the hospital, has been triggered again by an unknown virus, that has quickly turn into major problems. Pneumonia, heart failure and a collapsed lung. Hospital transfers and in critical care, he truly is in your hands Lord! Not able to breathe on his own, the machines are keeping him alive. Lord, we pray that your will be done. We pray that if it be your will, you heal this sweet boy, allowing him to not only recover, but to live a THRIVING life, a bold life, filled with your glory and honor, living as a shining example for you! We pray for his worried mother, Sophia. She is a single mother of two amazing boys. One of which is my nephew. She has been by sweet baby Kai's side this whole time, and all alone. Lord her heart is filled with fear, worry, dread. She aches for her baby, and desperately wants him to recover. Lord, we pray that your peace fall upon her, engulfing her completely. Lord, you know more than anyone her situation, and we pray that you send relief, you send some comfort her way. May there be a kind soul at Choc hospital, to see her and just give her a giant hug! A warm conversation, some interaction that can distract her from her worries as well as provide human nurturing. Lord, please send your angels to place a hedge of protection around that hospital, protecting all who are inside, outside, arriving and leaving. Place a stronghold hedge around Sophia and Kai! May their hearts and minds be protected from the enemy and his attacks! Please give skill and wisdom to the medical staff that are tending to keeping Kai alive and working so very hard to help him recover! Lord, may the prayers be continuous and flowing up to you. We surrender all to you, and ask as one voice, in Jesus Name, we pray! Amen!

Mar 7, 2018

For a Manifestation of God's Promises: Pray that I will be able to have a conversation with someone soon to be able to explain, that "Fear, He is a liar." For satan to be rebuked along with his fiery darts of fear and that they will be sent to the pit of hell never to return. That there will be a manifestation of God's promises to cleanse him from his demons, and for him to be freed from these demons as we speak the word of God and HIS PROMISES over us. Thank YOU dear LORD JESUS as YOUR WORD is a double-edged sword cutting through the bone and the marrow and getting to the heart of the matter every time. Lord let your truth be known to him. Lord, we stand on YOUR word. Alleluia. Amen.

Husband Job Turmoil

Please join me in praying that his reputation and supporters would stand strong, that truth would prevail, and through it all, Christ would be glorified.

Prayer Warriors Needed

Mar 7, 2018

After leaving an abusive relationship. My ex (who maritally raped me) has been using my son to continue to abuse me. Please pray that my son and I are kept safe by God. Pray that the truth will shine and God softens the hearts of the professionals. So that Jesus can break these chain's of oppression in my life, so I can fulfill God's will in my life and raise a son who has broken the cycle and is Godly. My ex keeps working with children even though he is an abuser. I need help praying that God will reveal to society these people and their evil acts. So that they can not hide in the devil's darkness, but be healed in God's light. I pray that the truth will break the chains for victims and empower them to use their lives to fulfill God's plan. I pray that our leaders listen to their hearts as God softens them for victims of all abuse. I pray we protect our children.

Sleep and ADHD struggles

Mar 7, 2018

Please pray for my sleep tonight. I have to be up in less than 7 hrs and am having a hard time falling asleep. Please pray my brain unwinds and I fall into a good sleep. I am also asking for prayer for when I wake up. That I would feel refreshed and wide awake and that my brain would work in the ways God designed brains to work. I do have ADHD and usually with meds I have it under control but the last week has been tough. So please pray for that too. I desire to have better cnversations with people, to stay on task better, to arrive early instead of on time somewhere (especially work), to be focused, to not stumble on my words so much. I love being bubbly and having fun. But I just want to be focused. And I feel the lack of sleep isn't helping. God is good. I need his strength. Even as I type this I am feeling more sleepy! Yay! God is so good. And I know he created my brain for good things!

For the Truth to be Known

Mar 6, 2018

For the truth to be known and for a deep healing to take place. For a dear friend who has been telling tales that are not true. I think he has convinced himself they are true stories, so he will not have to repent of his own bad choices. Please pray that as he sleeps that God will speak to his mind bringing peace and comfort and taking away any unrighteous fears that he has currently. Please pray that God would speak the truth to him, letting him realize he has been deceived by satan's lies. Pray that the fear and paranoia from satan will be gone in the name of JESUS!!!! That these demonic deceivers will be sent to the dry places never to return. Pray that he would be healed of his extreme reactions of anger and panic. Pray that our next discussion will be free of any demonic strongholds, and that he will know that I have only spoken the truth to him. Pray we can learn to be better friends to each other. Beauty for Ashes

Mar 6, 2018

For an Honest Apology to come soon. For whatever reason my friend and I had a terrible misunderstanding recently, and I honestly do not know what caused this to happen. I truly did not understand most of it. He had told me that he loved me several weeks ago, and I think this scared him greatly. I think he had a full blown panic attack. It was almost like another person was speaking (screaming) at me. I could not make him calm down. Please pray that we will be able to have an honest conversation that will be non-judgemental and understood by both of us. We were both left very upset and unhappy. Please pray that he will be able to take some responsibility for his behavior patterns and change them in the future. Please pray that we will learn to communicate much better with each other, and that God can be glorified by reconciliation that can only come from Him giving us both Beauty for Ashes. Dear Lord, Jesus, Our hope is in YOU for a new beginning. Prayer for complete restoration. Help us to communicate better. I'm often misunderstood, Lord Jesus let him see my heart and trust my good intentions. Remove all that is defensive and judgmental, and let us just understand and trust each other in a new manner. I asked him to please treat me as he would want his sisters to be treated. This statement greatly upset him; however, I pray he will seriously consider this request from me because it is true. He tends to get overly loud and carry on without allowing me to speak. He assumes a lot based on trauma from past relationships. Please pray for him to call and apologize to me soon when we both have the time to speak. This has totally stolen my peace of mind, and I am looking forward to brighter days together soon. Please pray we will speak very soon. Alleluia. Amen.

Marriage reconciliation

Mar 6, 2018

Father we lift up the prodigals of marriage as well as the prodigals of families. Put conviction on them and bring them home to their families. Show them the sinful lives that they are living. Reveal to them the lies that the evil one is telling them. Draw them to You and pull down the walls that are keeping them from You and their loved ones. Bring them back to the spouse of their youth. Father if they are angry show them Your love and help them to get rid of that anger. If they are hurt help them to forgive them that caused the pain. Father if they are standing for their marriages or children give them strength to make it to the finish line. Father You say that You hate divorce so please reconcile the broken and restore what the devil has taken. Crush his head under Your foot Jesus. I pray the armor of God on each and every prodigal and stander. An it be done by the Blood of the lamb Jesus. That they will not believe the lies and schemes of the devil but that the fiery darts will return back to where they came from. We ask this all in JESUS Name. A MEN and AMEN

Rock Bottom

Mar 6, 2018

Please keep my marriage in prayer. I am at a crossroads. We have 3 small children. I am loyal and lonely. I find my strength in the Lord and I'm very confident that He will always see me through. If I did not turn to Him, my anxiety would be out of control. I do not have much of a marriage right now. He is completely withdrawn, will not sleep by me, does not wear his ring, comes home whenever he wishes, he has taken all intimacy away from our marriage, he will not communicate or talk, I have tried everything except for counseling, he blames me for everything he is doing, and he mocks me. I am seeking God for peace and strength. I am not so rock bottom that I do not feel that God has something else for me, but I just feel that God will pull us through. I am not in denial of a possible affair, but I am praying for deliverance and a break through.

For satan's lies to be shown for what they really are--pure deceit that twists the truth. For him to realize I have not told him any lies or untruths. For him to know the truth and for the truth to set him free to live a new life. Father open his eyes. Show him what I cannot. May this man become a man after God's own heart. Put the full armor of God upon him to block all of satan's fiery darts. Bring conviction and let salvation come. To You be the Glory Lord. Alleluia. Amen.

Please pray he can text me even today, Or overnight and I can read it in the morning. Please pray that we can choose kindness over being right for now. I just pray for a truce for now, so we can discuss what we need to. For us to both realize that pride is not worth fighting over, and that we both need to forgive each other to be able to move forward in to the future. Please pray for the waiting to be over and for only good things to come our way now. For peaceful sleep full of good dreams and memories of the past. For God to open his eyes, and to show him what I cannot. For him to become a man after God's own heart. For conversations blessed by GOD. For a moment of Joy in our Journey. For Favor that lasts for a Lifetime. For a Redemption to be Double and come like a Flood. For Heavenly Blessings to rain down on us. For a Spirit of Thanksgiving that out lasts the bad times. Dear Lord, keep him searching after you. He has had a major setback recently and fell back into lying and deceitful behavior. I am asking for a job

Mar 6, 2018

In December, I had to resign from the company I believe in because I was placed under a corrective action plan. I was working between 50 and 60 hours a week but was unable to meet all of my manager's expectations. I left the company feeling disgraced and humiliated. I have been searching for a job for three months. I have been working on completing my masters in computer science and will receive the degree in May. I went back to school in my 40s and was only one of two Caucasian women in the program. Most of my classmates were young men in their twenties. At first I felt awkward, but I soon began to appreciate these young men my son's age, and they were very welcoming of me. I made friends with my professors, and I dreamed of working in IT. I also dreamed of working for this company, but it didn't work out no matter how much I tried to make it so. Today, I received a phone call from a recruiter that is looking for a developer for this company. I feel both scared and happy. I don't like asking for anything specific from the Lord, because I fear disappointment. I don't want to hem him in if he has a different plan. And certainly these last three months have been a trial of faith—a series of disappointments and much sadness. So if you would pray that I find favor with the Lord and that I get a second chance with the company I want to work for I would be humbled. And then please pray for any disappointment I might have if I don't get the job. I am seeking God's will in this situation, so all prayers are needed. Thank you for praying for me.

Court date with stalker/Perpetrator

Mar 6, 2018

The battle still rages and I feel so drained and trapped. But, I am grateful that I did not lose my house or my housing. Thankfully, the woman who had been my close friend for years, was abusing me over that because of problems in her own life she was taking out on me, has left me alone, at least for now. I am still waiting for the other shoe to drop. I am so desperate for money, I can't pay my bills. I was told by a male acquaintance of mine that I come across as very sweet, innocent and kind, easy to get to know and also an easy target. It was helpful to get that feedback, but I can't spend all my energy being on guard all the time, which is so against my nature. I am pretty savvy about many things, but still unguarded. That's my fatal flaw. It is like the more alone and vulnerable I am and feel the more angry, abusive people seem to want to use me as a scapegoat to take out their anger and frustrations on. I am learning things about what makes me such an easy target and its very frightening to know that I am on my own and I can no longer fully care for myself without becoming a burden to someone or being taken advantage of. I never used to feel this way at all. But the battle to deal with the stalker/perpetrator woman who stole \$3400 dollars of my craft business property still rages. I think I said that I had to get a restraining order against her. The Court did grant my Order and it was finally served. The Court neglected to tell me that it had been served as I was told they were required to do. I waiting on pins and needles for over a month to find out. Then I tried to file in Conciliation Court after a couple of months of trying to get up the courage, the Court Administrator refused to set the court date because she insisted the presiding judge expected me to give this stalker a way to contact me directly. I tried to explain that I had Confidentiality Order in place to keep my contact information private due to my ex husband's on going abuse and this stalker woman, as well as a NO CONTACT restraining order against this woman. But the Court Administrator refused to budge or respect my rights and my Court Orders. So insisted that I had to write a letter to the judge to explain why I needed these Orders to be enforced and not violated. It wasted almost 2 months. My accident attorney told me to write to the Chief Judge instead, which I did. I gave a detailed description of events, copy of the Restraining Order and other information. I received a call from the Deputy Court Administrator apologizing for putting me through all this and saying that I did not have to let this woman have direct contact with me, that all things coming from her direction she would send to the Court and they would contact me. She said the Court date would be set. It was set for March 22, I was given less than 3 weeks notice. I have almost no time to prepare! I really am anxious. I do what I am supposed to do and this is the kind of thing that happens to me all the time. I end up using up so much of my precious limited energy fighting unnecessary battles that I have nothing left to deal with the actual problem. My body, my heart and mind can't take anymore. One good thing that came from it is that the Presiding Judge on the this case must have seen the Restraining Order so he's aware of the stalking and abuse, so hopefully this will give my case some credibility. I have really been struggling and afraid, having nightmares etc. over having to face this perpetrator in Court because she's so convincing in her "victim" act and will lie and abuse me in court in ways observes won't pick up on. I bought it at first. I have no one to go to court with me for support, which is what I really need. I feel so much shame for letting her do this to me, especially since so-called "friends" were so horrible to me about this and blamed me when I tried to express my feelings about it when it first happened. I seem to accept the lie that I have to handle it all no matter what and never be a burden to anyone. Now that I am disabled, alone, and feel so useless, and need a lot more help that I am not receiving, I really feel like I should not be here. I am just wasting space. That's so stupid but I can't seem to break away from it. I am so empty from lack of deep, meaningful connection with healthier people who don't see me as a problem to fix or someone who is easy to exploit. Anyway, thank you for listening and please pray that I will be able to get the case together and get the documents filed, served and get the right witnesses to testify. There is a neighbor who I think will not want to get involved, but she has very important information that the Court needs to hear. I am afraid to approach her, she can be very aggressive, defensive etc. I am just too weak and vulnerable right now to handle it. Please pray for the Lord to give me favor with her, soften her heart to be willing to help and testify without a subpoena, also that I approach her in the right way. And please pray that I will have favor with the disinterested police officer I reported the theft to, who seemed to buy this stalker woman's act and did not accurately document what I said to him, in the police report. I have to subpoena him but don't know how to question him to be sure it is right to have him testify. I also really need to talk to my accident attorney who agreed to help me with this. I can't reach him and have been trying for weeks. Please pray that he will contact me today and help me. I need my accident case to be settled, to finally be able to the get treatment I desperately need and to be paid a good settlement for the damage the man who rear ended me did to me. I

am so sick of having to justify my existence. I can't. I just can't. I am afraid to trust anyone now. My world is so small, just me and my precious puppy, who loves me so well. I still don't feel loved by God anymore. I know He doesn't change, but this is where I am at. I can't fix this by myself. I need help. God bless all of you with exactly what you need in your lives. I so long to believe I matter again, and to be of use again. Thank you all so very much. I pray for you as well.

Small Victory In My Marriage

Mar 6, 2018

I have been praying out loud Psalm 91:4 with my wife each night when we're both in bed for the night. Our marriage has under huge evil fire with my wife no longer interested in our union. But, last night after praying out loud these Holy Protection verses., my wife said that our teen daughter is being attacked by demons. This is the FIRST TIME in over a year doing this that she has said ANYTHING. She has been in denial about the Holy Battle we are in every day so her saying this is HUGE. "He will shelter you with his pinions and under his wings you may take refuge. His faithfulness is a protecting shield."

Prayers for this marriage and famil

Mar 6, 2018

God I pray a shield of protection around Tim and Kim's marriage. Having a blended family, having a mental illness, and also having 2 unreliable jobs makes things stressful. I pray for job stability for both to help with the financial stress. They have many situations stacked against them that causes stress on their marriage. Satan wants nothing but to destroy this family. I pray that you give them strength to rise above it. I pray that they strengthen their relationship with you first and then their marriage. I pray that their pastor and church reach out to them and mentor them. Please Jesus in need of a miracle. Bring peace and calmness to their hearts and home.

Victory over Bipolar I Disorder

Mar 6, 2018

Praise to my Father and my Jesus! ! I have struggled with Bipolar I all of my life, but was diagnosed twelve years ago. At first, I was so scared and thought my life would be forever dark. I would read all I could on Jesus' healing and particularly loved the story on the woman touching Jesus cloak. She was instantly healed. I prayed those healing stories over myself daily, with the faith and trust of a mustard seed. I didn't see how a woman with bipolar would ever be able to function "normally". I have struggled with more the depression side, but I have been victorious with Jesus. I raised four children to be strong and wonderful people. I put their needs first over my pain. Two sons are Eagle Scouts and serve in the military. One is going for his masters in computer security. One is a biomedical engineering student (supremely bright). My first daughter will be going to college for nursing, and my youngest is a daily joy. Bipolar is a life sentence, but I overcame with positive thought, Bible verses and stories, and pursuing my dreams. I cry often—sometimes everyday, and I feel like my life is a hopeless mess, but these words come to mind in those dark times, "Do the next thing". Not only did I raise remarkable people, I wrote 25 novels and went to graduate school in computer science in my mid forties and will be graduating in May. I suffer with a severe, paralyzing mental illness, but I overcome daily. I do it with prayer and solid belief that no matter where I am, God is near. He doesn't take away the tears or the insomnia, but he gives me the strength to cope. And now, I am looking for a job in the IT field. Twelve years ago I could barely look up, but now I will have a masters and a promising career. God is faithful! I praise him.

New life ..

Mar 6, 2018

I have been wanting to move back to Colorado or the mountains in general for 8 years..I feel almost sad that I have lost my luster with the joy of living in the cities here all my life.. I am currently single and pregnant yet I have hard work ethic and could probably do it on my own.. (for sure with God's help). My family is here .. and they are loving and supportive and absolute quality people that I am blessed to know. it's strange because they all stay because each of them are here, yet each family wants new land also.... I am 6 months pregnant tomorrow and I just feel like I got myself land locked now.. I am a Christian even when i make mistakes that have long lasting affects.. but Romans 8:28.. His glory alone. I am not sure what the future is in store.. do i just remain the way i am here and battle the elements the way it is and spend another 28 years of my life looking at the same roads.. while of course still appreciating my family that keep me hanging on anyways.. or do i plunge into the unknown and make a new life and bring my family in to whatever newness i create.. Lord what is your plan with my existence? How can I not put MORE on my plate.. while not numbing myself of the truth that this pool is tiring and i am bored of this flamboyant surrounded culture that the cities feeds out. I want more for my son..

Son in need of prayer

Mar 6, 2018

I am asking for prayer for my 21 year old son. He has mental issues and chemical issues. He has also been in trouble with law enforcement. His life is falling apart and he does not know what to do. I tried to bring him to the hospital for mental issues over the weekend but they would not keep him because he is not going to hurt himself. He needs mental stabilization so he can try and make some changes to his life. Please pray for him as he needs so much help right now. Also pray for our family as we are being affected horribly also. Thank you that all of my prayers will be answered in Jesus name.

Prayers for me too as I am an emotional mess... some days I'm fine, others stressed, others angry and edgy... this is not the way I want to be or feel, but I have a feeling this is the outcome of the farming situation along with my own workplace situation. Pray that he will be able to face the truth of these deceptions: That they are sinful. Let conviction, compassion and change come. May God help him to be able to release his anger in a better way. Even Now Bring Restoration

Mar 5, 2018

Please pray he can text me even today, Or overnight and I can read it in the morning. Please pray that we can choose kindness over being right for now. I just pray for a truce for now, so we can discuss what we need to. For us to both realize that pride is not worth fighting over, and that we both need to forgive each other to be able to move forward in to the future. Please pray for the waiting to be over and for only good things to come our way now. For peaceful sleep full of good dreams and memories of the past. For God to open his eyes, and to show him what I cannot. For him to become a man after God's own heart. For conversations blessed by GOD. For a moment of Joy in our Journey. For Favor that lasts for a Lifetime. For a Redemption to be Double and come like a Flood. For Heavenly Blessings to rain down on us. For a Spirit of Thanksgiving that out lasts the bad times. For Wisdom Flowing over All. God, YOU, are so Amazing. I am expecting blessings today. God bless.

For an Epiphany

Mar 5, 2018

For God to speak to his heart and help him to realize the difference between right and wrong. For him to have an epiphany and have a new respect for the truth in all things and aspects of life. For satan's lies to be shown for what they really are--pure deceit that twists the truth. For him to realize I have not told him any lies or untruths. For him to know the truth and for the truth to set him free to live a new life. Father open his eyes. Show him what I cannot. May this man become a man after God's own heart. Put the full armor of God upon him to block all of satan's fiery darts. Bring conviction and let salvation come. To You be the Glory Lord. Alleluia. Amen.

An Anointing on his Life

Mar 5, 2018

Lord, please pray for a dear friend of mine to watch Joel Osteen and be anointed by his teaching. He has asked me about Joel Osteen, so I know he is interested. He respected Billy Graham and told me so several weeks ago. I just pray he will be reading about his life as there should be a lot of information out there since Graham's recent passing. Dear Lord, keep him searching after you. He has had a major setback recently and fell back into lying and deceitful behavior. I have been very disappointed in him, and we are currently not able to speak. I pray this will change. I keep praying for him. Please pray for him and our relationship. Help him to know the truth and for the truth to set him free. Pray that God would help us to stay in Peace. God bless. Amen.

My son also is involved in a gay marriage, that they would see the lie and find true love according to His word. My other son also lives with his girlfriend with no intentions of marriage. They all have been brought up in church but have been greatly traumatized. I declare victory over them and that they have been dedicated unto the Lord and still belong to Him! Also for there mom who is lost in her own pain and in need of our Savior!!! Set them free Lord PLEASE!!!!!!! Thank You Lord for prayer warriors!

Find they way to understand our com

Mar 5, 2018

My wife and I have been on a journey going on 10 years of battling cancer, She has a rare slow-growing blood cancer which 178 people in the US have, we had a thriving business promoting NON-GMO agriculture and farming, 4 years ago she became very ill, and it became clear that I would step down from our company at this point we found out that my partners had other plans and it became a four battle of throwing us into federal court and related, we have nothing let and still fighting as we have reached out to our church community I have been almost in disbeleif on the way I been spoken to anout what we can loo k forward to and I feel that we need to look for a new church community to help us on our journry in bith the sprital and physiacl realm. I not sure what to think of the agriculture that I have been part of and loved so much but I have a real close idea what our savior felt like when those around him treated him as a criminal when all he wanted to do is save their souls. I would like to pray for guidance and understanding as we start to look at a new community.

My Son is Struggling

Mar 5, 2018

My sweet and wonderful 9 year old son started experiencing severe mental health issues 4 months ago and he has been in and out of mental health hospitals 3 times since November and with each passing day his condition has gotten worse. He is currently inpatient where he has been for 2 weeks and if things don't improve quickly they are recommending residential placement... I do not think his heart or mine can handle that so please please please pray for his healing, self-control, an uplifted spirit, and for the team of doctors and nurses to have wisdom and discernment when trying to diagnose and treat him. Also, please pray for his father and I, who have a very strained relationship, to put that aside and to work together to make the best choices for him. Lastly, please pray for me to have wisdom and acceptance as I'm struggling right now with feeling as though the doctors are not on the right path but I don't know if that's mother's intuition or denial. Thank you & God Bless you.

For Holy Repentance to Happen

Mar 5, 2018

Let deep meaningful change come. I ask for salvation of this person that means so much to me. Convict him father of the life he is leading. Help him to see that deliberately deceiving others is very wrong. Let every lie penetrate his heart. Let it hurt as it hurts those of us he has lied to and even slandered to others. Pray that he will be able to face the truth of these deceptions: That they are sinful. Let conviction, compassion and change come. May God help him to be able to release his anger in a better way. Let me be the godly woman to help him and bring him to you. May he realize all this to be true. May we speak tonight. May God bless our future conversations. Amen.

I pray that they strengthen their relationship with you first and then their marriage. I pray that their pastor and church reach out to them and mentor them. Please Jesus in need of a miracle. HELP

Mar 5, 2018

I need prayer regarding a situation I've been dealing with for way too long. I'm being hunted, stalked by my old neighbors, I've moved twice and they have followed me to my current address. These people have gained access to my place of work, a government office, storage, personal vehicle and work car also. I only feel safe when I'm at the gym and out of town. Even when I'm church, I've returned to my car and found items from my home, work or storage in my car. The local police department will not take a report and I've been referred to employee assistance from my supervisor. NO one believes these things are happening to me, they are trying to destroy me, I cannot put anything down anywhere. I'm tired of living like this and becoming a prisoner in my environment. My job and storage units are both places of 24 hours surveillance with key card access and no one has seen them. I have to hide my work documents daily because they end up missing. NO one should have to live like this, what type of life is this, I even feel sorry for my friends because they may become targeted individuals and be violated. I have suspicion that they are following me also. I have spend so much \$\$ on security cameras and am tired. I'll continue to advocate for myself until they are exposed, convicted and some of my things are returned. Please pray for my safety.

Doubt and fear

Mar 5, 2018

I am still struggling very much with all sorts of doubts and fears--especially the fears that I am not truly a child of God, I'm not really a saved follower of Christ, or that maybe I could just be delusional about this all. I can't tell if I'm in a trial, a test, or if my own hardness of heart and unbelief is binding me. Whatever the case, I desire above all to be fully satisfied in Jesus Christ and serve Him with my all. I want so desperately to be filled with the fullness of the Spirit. I can't handle the darkness that seems to grip me constantly.

Marriage

Mar 5, 2018

Dear Father, please bless those that will be praying for me. Thank you. My husband and I have been married for 30 years. It has not been a very good marriage. Communication difficulties, expectation difficulties, personality difficulties, lack of love - hubby has divorce papers. We are both Christians and love the Lord. Just want to pray for God's direction and a miracle. Please pray for me, the wife, that I may hear the Holy Spirit's voice as to what I should do. Help me not get in the way of what God is doing in my own life and my husband's life. God is good. I trust in Him. Thank you for praying for me. I really appreciate it.

Husband not honoring his wife

Mar 5, 2018

Please pray that Jesus will deal with Josh. He is arrogant and contemptuous of his wife. He was raised in church but doesn't care for God and is a stumbling block for his children. He's also dishonors his wife by flirting with other women.

PLEASE PRAY

Mar 5, 2018

I am under attack and I don't even know really what it is. I feel confused and unable to hear God's voice. The enemy is trying to make me think God doesn't want to talk to me, doesn't care, is not proud of me, doesn't think I am an obedient daughter, etc. I am not okay having any thoughts in my head about me that God does not have in His head about me. PRAY IN THE NAME OF JESUS FOR BREAKTHROUGH THANK YOU!

Prayers for marriage

Mar 5, 2018

Please pray for my marriage. My wife and I are in an intense period of being disconnected and even through infidelity we are still together. Unfortunately the pain of dealing with infidelity seems to be too much to bear for us. I pray I continue to remember my vows, know she is an amazing mother to our two kids and she will heal the hole in her heart with God's' love that caused her to go wayward to begin with.

Help with job

Mar 5, 2018

God, thank you for the job I started 3 weeks ago. I know my prayers and the prayers of others brought me there. You had heard my cry, after almost a year of unemployment. But -- the job didn't seem quite right somehow, and this morning I got a call saying I was terminated. After speaking with HR, I might get it back - but I'm not sure I want it back, although I need & want to work. Please bring me the work You want me to do - I thought this was it - and my faith needs strengthening. I know this door has closed for a divine reason, and my sadness is temporary. Please put me where You want me, so that I can provide for my family easily & give back to You. In Jesus' name, Amen, and thank you.

Help to Let Go

Mar 5, 2018

I'm having a hard time letting go of a man that I have been emotionally connected to. He is not a Christian and I'm not sure why I let my guard down. I do enjoy talking with him, but emotionally it's causing me more pain than good because he is antagonistic towards the faith and at times unavailable in general. It seems like a bad obsession and I need to just let it go. Please pray that the Lord will break my obsession with it and help me to just see him as a friend. Ive tried to do this with my own strength and I just can't. I need some prayer and some supernatural intervention.

Bills and Work

Mar 5, 2018

Dear God, my dryer is not working. The part needed is no longer made. The place that does repairs says they can sell me a new dryer for a full total of \$559 covering installation, recycling the old dryer and that price seems large. I also am going to work tonight and if there's a lot of snow I will be made to stay late. I pray in the name of Jesus for help with this dryer bill problem. I live alone so I only need a simple dryer. The drive home will be done later and I want to get home safely and without any issues. Please in the name of Jesus be with me and help me Lord.

Oh God So overwhelmed !!!

Mar 5, 2018

I can't even begin to explain how overwhelmed I am !! I know that I am holding God so small but I am stuck. It seems all I can see are these daunting constantly negative, extremely fearful circumstances. Just a few have to do with potentially losing our home of 10 years, major potential lawsuits and going from a dream career to a warehouse job that is so stifling and depressing that it is hard to beat each day there ! And I hate myself because I should be thankful that I have a job at all and my family of 4 has good health. Prayers needed that I truly see God as wanting and fully able to pull me / us out of this pit of despair. And to be able to count all things Joy by Gods Grace !!

Feeling Overwhelmed

Mar 5, 2018

Please pray for me. I am feeling so overwhelmed with life, work, and family responsibilities. I have a kid graduating this year and I am struggling to figure out how to pay for college and support her without going into crazy debt. I have been praying and trying to trust God to see me through, but I lack confidence in myself and my abilities. I have no one to talk to about my fears, and I feel really alone. I put on a brave face for everyone else, but on the inside I am struggling terribly. I know many people have it worse, and I am grateful for what I do have, but I just can't seem to pull myself out of this downward spiral. I would appreciate your prayers for guidance and for me to wholeheartedly trust in God that everything will work out.

Marriage reconciliation

Mar 5, 2018

Father we lift up all marriages that You will be the center of them. We lift up those marriages that are in turmoil. Bring peace back into them. Bind the evil one and all his schemes from all marriages and cast them into the pit. Fill the voids with your love joy and peace. For those who left their marriages bring conviction on them that they will repent and come back to You and their marriages. Father for those who have been left that they will turn to You for their strength, wisdom and a peace in them that passes all understanding. Lead them to the right ministries that will change them and their spouses for the good of Your kingdom. Father You say in Your word. what You have joined together let no man tear apart. Father marriage is a blessing from You. You don't lie so it has to be good. Let not the evil one take from us any longer. Return two us what the cankerworm has taken from Your people. Breakthrough

Mar 5, 2018

....I don't get what kind of Christian religion my daughter is following.....she tout's on facebook a lot of religious quotes, bible teachers, and bible references.....but, yet she has totally rejected and abandoned her own mother. A mother who always was, and still is , a good, kind and sacrificial mother. This has been going on for almost 10 years--total abandonment--daughter is now 35 years old. No longer can caring people, who try to encourage me, just blame it on teenage mother/daughter conflict--which I heard in her teens, and thought/hoped she would outgrow--she hasn't outgrown it! please pray for the true word of God to open her eyes, and the peace of Jesus would come into her heart, and she could see clearly, the errors of her way, and make amends to, whomever she needs to make amends to, and especially her own mother. Thank you.

Paranoia

Mar 5, 2018

I think I'm suffering from paranoia. I've been bullied since grade school, and through my adult life--I've walked in on people talking badly about me, spreading rumors, gossiping about me, lying to me, etc. While those are valid reasons to be paranoid, I'm also taking it out on my boyfriend. I'm accusing him of cheating, lying, and talking badly about me now. I feel like I can't trust anyone, not even myself. I don't know if I'm paranoid, or if everyone else has made me this way because of the very real things that have happened to me. I snoop in people's phones to see what they say about me to others, and they are always rude texts about me. Mostly from my immediate family. I feel like I want to disappear sometimes and never come back. I want to be normal, healthy and have normal, healthy relationships. Especially with my boyfriend, but I feel like I can't trust even him. Lord, please help me. I don't know what else to do. Heal me, Lord. Take this all away and let them stop talking about me and bullying me. I can't take it anymore. I want to quit.

Job

Mar 5, 2018

Please Lord, I received a job offer last Monday, but they would not let me start until background check and drug screening came back. The background check came back in a day, but the drug screening took longer and came in Saturday at 5 a.m. Please Lord, they said they generally start people on a Monday, but I really need to start this job. I have not worked full time since 1/12/18 and I am not getting unemployment benefits anymore. I am behind on my bills, I barely came up with rent and only have 130 dollars left until I get a paycheck again. Before all this happened I gave my boyfriend \$1,000 to help fix his car, but he hasn't been able to pay me back yet, because he has to pay an additional 2500.00. I am not going to be able to pay my phone bill or insurance on time, and my car payment is already 35 days late and they may start repossession at 60. I really need to start this job this week, it's the difference of getting a paycheck on 3/16 and \$514 dollars or having to waiting until 3/30 for my first paycheck. Also this job is not enough to cover all my bills, I interviewed for 2 different part time jobs, please pray one of those work out and they can work with my schedule for my full time job. Please Lord also help me with my anxiety, depression and back pain, so that I can get to work everyday and do not loose my new job. I desperately need help, Please Lord I need a miracle today.

Christian unity

Mar 5, 2018

Please pray for unity and love among Christians. I see so much judgment among people of different denominations and am guilty of that myself. I have a friend who is more conservative than me and just told him what church I am joining, we are texting so I have not heard back. I am concerned about his reaction. Please pray I can please God rather than people. Please pray Christians can get along and also for people who have been hurt and shunned in church. Thanks

Prayers for this week

Mar 5, 2018

God I pray for an extra amount of strength and emotional stability this week. My father in law and husband are having their auction this Wednesday for the sell out of their farming operation. This comes with 30+ years of farming. This truly feels like we are going through a grieving process and the funeral is Wednesday. This is not the prayer we've prayed, but trust that God is in control and has a different plan.

But, I know this is a spiritual battle in the spiritual realm. I know God wants His child back eternally. Please join me in prayer that his mind would be open and his heart would believe. I want to see his life changed!! Send me an email with an encouraging story or verse. I know that God's word is living and active. Amen.

FINANCIAL BREAKTHROUGH

Mar 4, 2018

I will be pursuing a financial deal on its final stages mid this week - if it goes through it will be a game changer. I am deep in a financial crisis, unmet obligations, my grandmother in hospital that needs to be sorted out - I have been blacklisted by a credit bureau thus my options of accessing finances are almost completely tied. I am earnestly praying to God to make a way for me, where there seems to be no way - to precede me and remove all obstacles that the evil one might try to raise on my way. Trusting and thanking God that the deal will be seamless - promise to give back to God his tithes & offerings, use part of the proceeds to give back to his work and also assist the needy in the society. Thanking God for by faith he has heard my prayer. Praying through the mighty name of Jesus Christ of Nazareth. Amen!

Control of my life back

Mar 4, 2018

Here we go again. The never ending battle of my already two years journey. I sent out a message to a woman who has photos of me on a site I don't understand. I pray she removes them or I can contact the site to do so. I pray this gets fixed this week. I have also filed a report on an image of me on another site and waiting response. I pray they delete it. I have had a stressful two years of having images of me posted without consent. I have worked with such narcissistic, sociopathic people who lack empathy. Such sad people who manipulate me. I have been so unwell over the last year and pray that my anxiety stops. I pray for the control over my life. Pray for good news. No stress. Please pray these intrusive thoughts stop.

Mar 4, 2018

God knows all that is going on but please pray as my spirit is broken. I feel completely lost, overwhelmed and feel like I am sinking farther and farther into brokenness. I don't even know what to pray for anymore as there is so much. Stress in money, marriage and many many other things. I realize this is a valley and I know some peoples valleys are much deeper right now but I need peace and strength and God's light to shine on me so I can see it for the hope as I try to rise out of this valley with Him!! For an Epiphany to Happen

Mar 4, 2018

For God to speak to his heart and help him to realize the difference between right and wrong. For him to have an epiphany and have a new respect for the truth in all things and aspects of life. For satan's lies to be shown for what they really are--pure deceit that twists the truth. For him to realize I have not told him any lies or untruths. For him to know the truth and for the truth to set him free to live a new life. Father open his eyes. Show him what I cannot. May this man become a man after God's own heart. Bring conviction in your time Lord, and let salvation and healing come quickly. To You be the Glory Lord. Alleluia. Amen.

Defeated

Mar 4, 2018

I logged on to PrayerWorks to lament of my current sadness, worries and fears. Which are many! Valid? Not valid? I don't know. But I do know I have cried rivers today. When I logged on to this site I saw the post, titled "My birthday had never mattered". I wish I could be in touch with the one who wrote that post!! That post took the wind out of my sails. I completely empathize....dare I be brave enough to say "understand" his/her post. So now I feel like what I wanted to share really doesn't matter. I have no idea what God wants or doesn't want me to do or not do. Maybe tonight He just wanted me to think of someone else. So, to the author of "My birthday never mattered" -- I am praying for you.

My birthday had never mattered

Mar 4, 2018

For years everyone that I know is either given a party , taken out for lunch , or someone gets them a cake , etc . When I had monumental birthdays like 18, 21 , 30, 40, 50 no one cared to celebrate . Last year one friend gave me a Reese's peanut butter cup for my birthday . Before my sweet mom died she always gave me a birthday card . My parents are the only two that have ever truly loved me and they are gone. My birthday is in a few days . Please pray that I will not be sad and that I will not think of the fact that as always there will be no celebration . Daily I see photos on Facebook of everyone blowing out candles . I buy myself a cake , I light and blow out candles and celebrate with my fur babies and cry myself to sleep . I'm not wanting pity I'm just asking prayer . I've been bullied , mistreated and made fun of my entire life

Strength/ Truth / Peace

Mar 4, 2018

My ex boyfriend is the man that has broken up two of my families. He is trying to now break up my current relationship. He has major issues- he wants me to be with him, but I will not due to his issues. I am in love with my current boyfriend and was hoping to get married. I am broken hearted because my ex told my boyfriend we were having sexual relations. We are not. After talking it through, everything was good. But, my ex is now having doubts. He keeps throwing it in my face and I feel like I am going to have a nervous breakdown. I need prayer for strength and that the truth be accepted. Pray for our relationship. I love him so much. My heart just hurts. Thanks so much!

Manifestation of God's Promises

Mar 4, 2018

For a Manifestation of God's Promises to be known: Pray that I will be able to have a conversation with someone soon to be able to explain "that Fear, He is a liar." For satan to be rebuked along with his fiery darts of fear and that they will be sent to the pit of hell never to return. That he will be able to tell the truth from a lie. That there will be a manifestation of God's promises to cleanse him from his demons, and for him to be freed from these demons as we speak the word of God and HIS PROMISES over us. Thank YOU dear LORD JESUS as YOUR WORD is a double-edged sword cutting through the bone and the marrow and getting to the heart of the matter every time. I just pray he will realize I have only spoken the truth even today. Lord, we stand on YOUR word. Alleluia. Amen.

For Holy Repentance to Happen

Mar 4, 2018

Let deep meaningful change come. I ask for salvation of this person that means so much to me. Convict him father of the life he is leading. Help him to see that deliberately deceiving others is very wrong. Let every lie penetrate his heart. Let it hurt as it hurts those of us he has lied to and even slandered to others. Pray that he will be able to face the truth of these deceptions: That they are sinful. Let compassion and change come. May God help him to be able to release his anger in a better way. Let me be the godly woman to help him and bring him to you. May we speak tonight. May God bless our future conversations. Amen.

Need Help Badly

Mar 4, 2018

My family is in shambles. My fiance keeps losing his cool with my daughter bc she back talks. It causes fights between us. A really bad one where we were physically pushing each other. He did what he usually does, will say to his son, "Get your sh*t and let's go." All because I simply said one thing and then, "I'm not working with him." We just had a baby together, finally moved into our new place and I'm afraid for myself, my daughter, our son and his son. He exploded and said, "F*ck you and f*ck your daughter!" He then turned around and took my phone and my daughter's phone "because he paid for them." I felt like he was trying to control. All he can say is he feels like he keeps being treated like sh*t." He swears all the time so those are his words. I feel like my world is shattered and idk what to do. I feel like there's no coming back from this. I feel like the irreparable damage done from his past relationships and the abuse he endured as a child from his adopted parents will not go away. It keeps coming out in this way, not seeming to get better. I don't think he wants it to get better. I feel like I'm being faced with a choice I didn't want to have to make. God please help us. Please help him God. I can't keep getting hurt. My kids can't keep getting hurt. God he needs your help. Please. We need your help. God I need your help.

Work Stress Help

Mar 4, 2018

Dear God, I have been assigned to work with this worker who makes work more stressful. He has many mood swings during the shift and he has seniority. He will get angry and start cursing and snapping at me. It is so lousy since I work so hard and I don't need this man watching over my shoulder. He creates chaos because he wants so many things done before the shift ends during the last fifteen minutes. I have spoken to a floor leader and that night this worker was angry and wouldn't speak to us. I am diabetic and extra stress makes it hard for me to control my blood sugar levels from dropping. I pray in the name of Jesus for your grace now. I know he is quick tempered and is very pushy. His behavior is known by others I work with. My job is a good one and my goal is to do my job well and be able to go home. Please have me in your hands and help change this situation to a better one. Thank you Lord.

The enemy has been trying to hold me down for years and right now I need prayer to keep moving for protection against the devil and those he uses to do his work!! I need prayer that God will see me through this I have put so much money into this school and for me to say I want to give up I know this is not of me but of the enemy and I need prayer for protection against them!!! I have to rebuy the 3,900 worth of school items stolen and I'm only working every other weekend now because of school and I barely bring home enough to pay my bills so this has been a real blow! I don't cry I always keep my head up to God but I feel like my head is starting to look down! This is taking me into depression and the part that hurts is the person who stole the bag was someone i thought I could trust to protect me!! Please, I need prayer warriors right now if not ill probably just give up on life!! Thank you!

My Sick Father

Mar 4, 2018

My father, visiting from out of country, started throwing up about a month ago conservatively for 3 days. Went to urgent care and found out he had gastric cancer blocking food from passing through to his intestines. The doctors recommended surgery and assured us that it will be minor and his hospital stay will be short. Surgery went well, but my dad went down with pneumonia. He has been in the ICU for 2 weeks now on life support and the doctors are saying he only has a 5% chance of making it. Our family is in need of a miracle. We truly believe prayer works. Please pray for his recovery. We only need for him to be cured from pneumonia. I personally only want just a day or so to talk and spend time with him. This has been absolutely traumatic for us. Mar 4, 2018

Father I pray circles around our desire and dream to bear children. I circle your promise that says "He will love you, bless you, and multiply you. He will also bless the fruit of your womb and the fruit of your ground, your grain and your wine and your oil, the increase of your herds and the young of your flock, in the land that he swore to your fathers to give you" and that "None shall miscarry or be barren in your land; I will fulfill the number of your days." Father hear our prayers and bless our efforts Lord. Father bless this treatment cycle that it will be a successful one. Lord cover the doctor and his entire team and put a hedge of protection on all of us through this time and beyond. Amen

Job, etc.

Mar 4, 2018

First, I want to pray that it works out between Fabi and I. I feel that I always figure out a way to screw things up. Secondly, I want to pray for something that is weighing on me... I'm looking for a new job and it has been a fair amount of time now that I have been unemployed. Lastly, I haven't been sleeping very well the past few nights, I'm not entirely sure why. Thanks for your prayer support.

God is the glory

Mar 4, 2018

Thank you, thank you, thank you for everyone who has been praying for ANMG and myself (NJC). Please continue to lift ANMG and myself (NJC) up in prayer. for restoration, reconciliation and back to living in one zip code until we reach heaven with our Lord. I drove from Omaha, NE to Odessa, TX to sit down and speak to ANMG, we reunited yesterday, after lots of tears, conversing, we are trying to figure out steps to heal and move forward together. Please pray ANMG negative mind battles stop right now, remind ANMG of what's true, our love, God be the glory. I am at the hotel and ANMG is at the apartment. I know this is not going to be easy but with God on our side I have full trust and belief we've got this. I have to go back to Omaha, NE Sunday. :(

Thanks be to God

Mar 4, 2018

I am in a place I never thought I would be. Things seem to be falling into place after stressful times. Many chapters of my life are ending, but so many opportunities are developing. All credit to our Lord for guiding my path. Praying to say thank you and beyond grateful for all the small moments that are taken for granted. Thank you God for the gift of joy and bringing your peace into my life. May many others experience this feeling you have given me in this moment. Amen.

Let Holy Conviction Take Place

Mar 4, 2018

Let deep meaningful change come. I ask for salvation of this person that means so much to me. Convict him father of the life he is leading. Help him to see that deliberately deceiving others is very wrong. Let every lie penetrate his heart. Let it hurt as it hurts those of us he has lied to and even slandered to others. Pray that he will be able to face the truth of these deceptions: That they are sinful. Let compassion and change come. Let me be the godly woman to help him and bring him to you. May we speak tonight. May God bless our future conversations. Amen.

For an Epiphany to Happen

Mar 4, 2018

For God to speak to his heart and help him to realize the difference between right and wrong. For him to have an epiphany and have a new respect for the truth in all things and aspects of life. For satan's lies to be shown for what they really are--pure deceit that twists the truth. For him to realize I have not told him any lies or untruths. For him to know the truth and for the truth to set him free to live a new life. Father open his eyes. Show him what I cannot. May this man become a man after God's own heart. Bring conviction in your time Lord, and let salvation come quickly. To You be the Glory Lord. Alleluia. Amen.

For the Full Truth to be Known

Mar 3, 2018

For the REAL truth to be known and for a deep healing to take place. For a dear friend who has been telling tales that are not true; unfortunately, I think he has convinced himself they are true stories. Please pray that as he sleeps that God will speak to his mind bringing peace and comfort and taking away any unrighteous fears that he has currently. Please pray that God would speak the truth to him, letting him realize he has been deceived by satan's lies. Pray that the fear and paranoia from satan will be gone in the name of JESUS!!!! Pray that he would be healed of his extreme reactions of anger and panic. Pray that our next discussion will be free of any demonic strongholds, and that he will know that I have only and always spoken the truth to him. Pray we can learn to be better friends to each other from now and let not our trust in each other be broken. Alleluia Jesus!!! Amen.

Little dog

Mar 3, 2018

We took our little dog Elly to the VET and she has to have surgery for her hip. Evidently she was injured somehow a few months ago and it's just now showing up. She would raise her foot up a little intermittently but just recently cried about it so we took her to the VET. We're thinking that maybe the groomer dropped her or something in November. On that day that we took our dogs to the groomer, we went to check on our son and found him passed away. Our daughter picked our dogs up and we noticed her raising her foot up but was grieving, planning a funeral and all of that. So we're thinking that's when it may have happened. Please pray for Elly's healing as she waits for surgery and as she has surgery in a few weeks. She is a tiny 3.8 lb adult dog. She is a precious little sweetie. Pray for us to be blessed financially also. Pray that all is well and will be well in this situation. Thanks and God bless you.

I cry every day

Mar 3, 2018

I am not sure what to pray for. I have bipolar I disorder, and since I lost my job in December, I have been crying every day. The concern over losing my home and my husband's disappointment in me have led to much pain. I pray and pray, but I feel as if the Lord isn't listening. I do my best to keep going, even though I'm confused. Losing my home is not as bad as losing my husband's respect. I can live anywhere, but I feel alone and seeking God on my own is hard. If I could have more of a sense that God is with me, perhaps I wouldn't feel so hopeless. In my forties I went back for a masters in Computer Science. I struggled hard and fought through my depressions to come to the end of receiving my degree in two months. That is a victory that I thank God for, because I wouldn't have been able to do it without prayer. But now, I feel purposeless and directionless. Money is not my aim. Growing closer to God is, but in this storm, I am having a hard time seeing him. My husband isn't a believer, so I can't go to him with my faith hurt because he doesn't understand. More than a job, I want to know God is real and with that belief then maybe this time of struggle will get easier and maybe I'd stop crying and stop feeling so lost. I want a purpose again, and I don't want my dreams that were birthed four years ago to end in failure. I listen to the song "Thy Will be Done" and it helps, but I am still unsure. So I don't know what to pray. I just want to have peace in what God's will is and to know that he does hear me even though I can't hear him.

Friend

Mar 3, 2018

For God to meet a friend of mine where he's at, for the blinders to fall off, for friend to not want to die, for friend to see that his yearnings are actually homesickness for what only God can fill, and for friend to accept Christ and not feel embarrassed about it. I am concerned about his soul.

For an Epiphany to Happen

Mar 3, 2018

For God to speak to his heart and help him to realize the difference between right and wrong. For him to have an epiphany and have a new respect for the truth in all things and aspects of life. For satan's lies to be shown for what they really are--pure deceit that twists the truth. For him to realize I have not told him any lies or untruths. For him to know the truth and for the truth to set him free to live a new life. Father open his eyes. Show him what I cannot. May this man become a man after God's own heart. Bring conviction in your time Lord, and let salvation come. To You be the Glory Lord. Alleluia. Amen.

Expecting a Sign of Your Favor

Mar 3, 2018

Expecting a Sign of Your Favor on Our Future Happiness: Everything has a season and a time. Each season prepares us for the next season. We need to squeeze out of each season as much as we possibly can, and to learn what this season has prepared us for. Dear Lord, He told me that seeing me was like a dream. I pray he has very sweet dreams of us when we were young and even now, so much older and in a different season. I just ask that my relationship with him would be restored and redeemed with a double portion; we have missed so much time. He has told me that he cannot get me out of his head, so I just pray for him to have beautiful sweet dreams and memories of me and our times together while he sleeps. And even for him to even have wonderful thoughts and memories of us during the day in lucid thoughts and quiet moments, and for this time and the time we lost to be redeemed with more than a double portion. For him to be able to remember my true core self, and for him to find his own true self again as well, which has been lost to a sinful lifestyle, and satan's lies. For us both to be able to forgive each other for past wrongs; for us to each realize being kind is more important than being right is. For only honorable behavior to be shown towards me, and for protection for both of us from the seeds of fear that Satan tries to plant. I just pray that he will realize that satan is a liar, and the father of lies. I just pray we can spend positive time together soon. Pray for the complete Restoration of our relationship for both of us. I pray God is present in his dreams. Bless our time together with respect and honor as we discuss future plans together, and may it happen soon. Alleluia. Amen.

Prayer for my marriage

Mar 2, 2018

Please for God to reconcile my wife Abi and I. She has left our marriage and has turned from Jesus. Beginning to pursue a immoral lifestyle and getting involved with alcohol and drugs. And talking of filing for divorce this week. Please pray God opens her eyes to turn her back to him in true repentance that brings about a change of heart. And that our marriage and family would be restored. And for peace and trust and comfort for me in God. Thank You.

For the Truth to be Known

Mar 2, 2018

For the truth to be known and for a deep healing to take place. For a dear friend who has been telling tales that are not true. I think he has convinced himself they are true stories. Please pray that as he sleeps that God will speak to his mind bringing peace and comfort and taking away any unrighteous fears that he has currently. Please pray that God would speak the truth to him, letting him realize he has been deceived by satan's lies. Pray that the fear and paranoia from satan will be gone in the name of JESUS!!!! Pray that he would be healed of his extreme reactions of anger and panic. Pray that our next discussion will be free of any demonic strongholds, and that he will know that I have only spoken the truth to him. Pray we can learn to be better friends to each other. Alleluia Jesus!!! Amen.

Expecting a Sign of Your Favor

Mar 2, 2018

Expecting a Sign of Your Favor Our Future Happiness: Everything has a season and a time. Each season prepares us for the next season. We need to squeeze out of each season as much as we possibly can, and to learn what this season has prepared us for. Dear Lord, He told me that seeing me was like a dream. I pray he has very sweet dreams of us when we were young and even now, so much older and in a different season. I just ask that my relationship with him would be restored and redeemed with a double portion; we have missed so much time. He has told me that he cannot get me out of his head, so I just pray for him to have beautiful sweet dreams and memories of me and our times together while he sleeps. And even for him to even have wonderful thoughts and memories of us during the day in lucid thoughts and quiet moments, and for this time and the time we lost to be redeemed with more than a double portion. For him to be able to remember my true core self, and for him to find his own true self again as well, which has been lost to a sinful lifestyle, and satan's lies. For us both to be able to forgive each other for past wrongs; for us to each realize being kind is more important than being right is. For only honorable behavior to be shown towards me, and for protection for both of us from the seeds of fear that Satan tries to plant. I just pray that he will realize that satan is a liar, and the father of lies. I just pray we can spend positive time together soon. Pray for the complete Restoration of our relationship for both of us. I pray God is present in his dreams. Bless our time together with respect and honor as we discuss future plans together, and may it happen soon. Alleluia. Amen.

Job Search Process

Mar 2, 2018

It's clear the Lord is prompting me to make a change in jobs. Although "comfortable" where I am at, it is an unhealthy company and work environment - I am taking a leap of faith and working to prepare for the next phase in my career. Please pray that I was wise in spending the money I've invested in having a consultant update my resume. It is an unknown what the result will be or if the individual whose services I have enlisted will be capable and trustworthy - I need to wait for the final product to know for sure. So much fear and uncertainty with change....coupled with excitement and the promise of a new job in a healthy work environment! Thank you.

Power over addiction and employment

Mar 2, 2018

Have struggled with gambling addiction for years. I can get so close to God through Jesus and the Holy Spirit and can pray fervently for Satan to flee. Then the next day I feel hopeless and do just what I promised God I would stop doing-allowing addiction to destroy my life, my outlook, my lies. I ask for prayer against the power of addiction-that God would give me strength and courage to face the path before me. I haven't been able to find employment yet since I resigned from my job 8 weeks ago. I don't have a home currently so am feeling lost and alone. So I am requesting prayer that God would open the door to where he wants me to be. And if I lose my relationships with my adult children and grand daughter that God's grace would cover me. Thank you so much..I now there's power in prayer.

Please pray for the waiting to be over and for only good things to come our way now. For peaceful sleep full of good dreams and memories of the past. For God to open his eyes, and to show him what I cannot. For him to become a man after God's own heart. For conversations blessed by GOD. For a moment of Joy in our Journey. Softened Heart

Mar 2, 2018

Last Tuesday my husband sends me an email with daily normal conversations and at the end was I think I need to be alone. He hasn't said the word divorce yet but he is acting like he's checked out already. I bought the Courage Course with Kirk Cameron and his wife Chelsea to hopefully watch the videos together but because they are faith based, he has no interest. My husband said his heart is hard from things I've done even prior to the engagement/marriage and a couple things that happened since. I asked him to go to counseling with me and he said maybe. One day I will get an email implying he's staying and the next it's I'm leaving. He's a non believer and I almost a year ago gave my life to Christ and went through Revelation Wellness (faith fitness training). I have changed from the incidents in the past but he's not willing to let them go. Pray for his heart to soften and to see me for who I am now. I explained to him about forgiveness and we all sin but are forgiven and it's more important to forgive for your own heart than it is for the other person.

Mar 2, 2018

Please pray for my extended family. There have been many lies, hurts, criticisms and judgments that have taken place over the last 15 years. God has done a lot of healing, but there is still so much more to do, and there are a lot "no talk rules", unconfessed sins and quite frankly, self absorption —all of these things need the power of the Holy Spirit to reveal God's grace, love and honesty. I believe He wants us to live in truth but yet be forgiving.

Giving life over to God

Mar 2, 2018

Please pray for help doing this. I was raised in a very controlling family. I am 50 and struggle with trusting God. I have a lot of health problems. I had volunteered to take on a temporary new role at work but cannot and I told my boss this. She thanked me and took my name off the list. I feel sad as I wanted to do this but it would not have worked out. Please pray as I see a dr 3/15 to see if I have progressed to diabetes. Thanks

Help

Mar 2, 2018

My life has recently come into struggle. I am trying my hardest to keep my head held high and brave it on my own. I realize now that I can not do everything alone. I have hit was almost looks like bottom and am needing to give it all to God. I struggle with letting go and giving up control

.....
Overall here is what is going on.....

- Worry about the security of my job (severely concerned, am applying at new places).....
- My mental health (being mentally strong against anxiety, depression, ptsd, and an eating disorder).....
- My physical health (in pain due to condition I was born with).....
- Finances (25 and on my own with no support, had a decrease in pay of \$15,000 yr and its hitting hard, I had to skip payments)
- My dog.....
- and lastly the one that gives me the most stress..... •

My ex.....I love this man and he is a man of God. I broke up our 5 year relationship with him a year ago. I was very unhappy and was not able to put God in the center of my relationship as well as dragging baggage I was not ready to face into the relationship. I have since found God again after breaking up and am facing my demons/past. I have found happiness and I have a fire back in my heart. I finally feel like me again. I am proud to have face my past and move past it. My ex came back into my life on Feb 10th, there was love, anger, venting, and seeing each other face to face alone for the first time. I know both of us love each other and deep down in my gut I know we are meant to be. But I can not see Gods plan, so how can I say that? I don't have much patience, and I feel like I might be pushing the man of my dreams away. I don't understand how/why God brought him back into my life. My ex's words say he wants to be friends but his actions say so much more (without going into detail). John 3:18 states that we should not merely say I love you but show the truth by our actions. So is it wrong I am seeing his actions of love as a sign more than his words? Its as if an old scar is being cut open all over again. I haven't been able to eat properly for 16 days, I have not been able to get more than 4hrs of sleep in a night in 16 days. I don't know why, but I keep praying for peace and I can't seem to find it. I am praying for patience and I am struggling with time. I am praying for the ability to let go and let God take this from me but I continue to try to see opportunities to reach out with a call or text. I wish I could calm my mind and stop thinking about my ex every hour but that is probably my anxiety. I am hurting. My heart is heavy. I feel better when I am at church and worshipping but I continue to struggle when I am away. Help.

Prayer for My Far East Mission

Mar 2, 2018

My heavenly Father has revealed to me a spirit changing opportunity to deepen my relationship with Him through a short-term mission trip with my Church to the far east. God has gifted me to push my body beyond what I thought were its limitations with endurance sports; this opportunity will use that gift to push myself spiritually as I venture to minister throughout the far east. I'm excited because this mission is not about me, but our Heavenly Father; going to a region of this beautiful world where majority of missionaries can't get there to share His love and to plant churches. I'm excited for a multitude of reasons... but one is to be able to plant seeds of faith by being the "hands & feet" of Jesus and the bearing of fruit for years to come. I knew in my heart that this was placed in my path for a reason... one of my mentor's shared with me a couple of months ago that, "I have watched God move mountains in your life this past year... now it is your turn to go and move mountains for God." I can only be a part of what I have been called to do with your help. I need friends and family to partner with me in prayer for this trip, our team, and my part in this journey. Please pray with me to have God go before me and my team to prepare the way, pray to prepare my heart and body for the journey, pray to prepare those that God will put in my path, pray to protect the loved ones I leave behind, pray for all us to be able to fundraise the money we need to fund this mission, pray for safety around this trip. I am also looking for committed prayer partners – pray as I prepare spiritually, physically, emotionally, and mentally for the Mission in the far east and while I am in country. Isaiah 40:31 ~ ...but those who hope in the Lord will renew their strength. They will soar on wings like eagles: they will run and not grow weary, they will walk and not be faint. Father I leave all of this at the foot of your cross... in the name of Jesus Christ... Amen.

He is dealing with the VA health system and this makes me very nervous about him receiving timely/proper care. Pray the this tumor is not cancerous and is something that can be remedied, pray that there isn't cancer anywhere else in his body, pray that the VA won't drop the ball and will have timely responsiveness with dealing with al he has going on. Prayer for Medical Mission

Mar 2, 2018

Heavenly Father, Please go before WJ and her team, prepare their hearts and prepare the hearts of those they are there to care for. As WJ goes to this foreign land to serve others medically, I ask that you protect and provide for her children, her family and her friends that she has left behind. Give them strength and patience while they are looking forward to being reunited again with her. Remind all of them to pray too because You love to hear from your children. Lord I pray for the health of WJ and her team. I pray for the people that they will be treating, let their bodies be receptive to the healing they will receive in pre op and post op. I pray that You guide the hands and actions of the medical staff during all procedures. You are the Great Physician and I place their health in your hands. Father I pray that you grant them the time that they need to spend with you. Give them the moments of quiet time each day to meditate upon You and Your word, I pray that these moments they will hide Your Words in their Hearts and as they need it they will be able to call upon it in just the right moments. Lord I pray that you fulfill the joy of WJ, her team and their patients, help them to be likeminded, having the same love, being of one accord, of one heart. Let nothing be done through strife or vainglory; but in lowliness of mind let each esteem each other better than themselves. Father I pray for WJ and her team that you are sending to have open doors and when they open their mouths that you can use them as a vessel to speak Your love with great clarity. I pray that by their example they can touch and not only heal many lives but change many lives. Father remind them that they are in Your loving care and that You are always with them even when they are not able to spend time with the loved ones that they left behind. That they are never alone. Lord I pray that You prompt them to take time to rest and relax because their bodies will need it. Help them to know that relaxing is a good thing. Help them to remember that it is natural and a needed thing for medical missionaries to take a break. Father I pray that WJ and her team are strong in the Lord, and the power of Your might. I pray that they put on the whole armor of God, which they may be able to stand against the ways of the evil one. I pray that you place a hedge of protection not around them but around their loved ones they have left behind. Protect those that are seeking medical attention from this team. Lord I pray that you use WJ and her team in the way that is of Your will, not theirs. Let them do all of this work in Your Glory. I surrender all of this at the foot of Your cross and ask all of this in your beautiful, healing, protecting, guiding name, Jesus Christ... Amen.

Prayer for a new companion

Mar 2, 2018

Heavenly Father, I thank you for bringing WJ into my life, she is such a gift from you. Lord I ask that you can let your light shine through me to her. Lord let all of my past brokenness be a place of strength that i can use to bring value to this new budding relationship. Lord prepare my heart to except all of WJ and I pray that you prepare her heart to except all of me. I pray that I can create a safe and secure environment for her to open up and share her heart with me. Lord I ask for protection over this woman, go before her today and light her path. Pour rich blessings upon her and her family, let her prosper. Please use me as a vessel to model to her your love. My Now Ex Wife - Lift Her Up

Mar 2, 2018

Loving Father I come to you today as your humble servant, I bring my ex-wife that has persecuted me to your throne, I do this as you command us to in Matthew 5:44 "Love your enemies and pray for those who persecute you." Father you know the impacts of the injustice and how it has not only affected my life but my children and everyone connected to us, at times it makes it all so overwhelming. As it says in Luke 23:34, "Father, forgive them for they know not what they do." Father I ask that you bless my ex-wife, bless her with salvation, forgiveness, provision and prosper her. My heart desires her salvation and her presence in heaven with us and I desire her eternal happiness with you father. As Paul wrote, "My Heart's desire and prayer to God for them is that they may be saved" Romans 10:1. Lord Father, what is impossible with us is only possible with you (Mark 10:27). I pray that you God, will rescue her from the dominion of darkness and bring them "into the kingdom of the Son, the Father loves, in whom we have redemption, the forgiveness of sins" Colossians 1:13-14. "...His sight, without blemish and free from accusation" Colossians 1:21-22. I pray "God will make known to them His glorious riches through the mystery of Christ" Colossians 1:27. I pray that she truly "know the mystery of God, namely Christ, in whom are hidden all the treasures of wisdom and knowledge" Colossians 2:2-3. I pray that she will "put to death whatever belongs to her earthly nature: sexual immorality, impurity, lust, evil desires and greed, which is idolatry" Colossians 3:5. I pray the she will rid herself of all "anger, rage, malice, slander, and filthy language from her lips" Colossians 3:8. I pray that she becomes one of "God's children, holy and dearly loved, clothed with compassion, kindness, humility, gentleness and patience," Colossians 3:12. I pray that she will come to know and possess the love of the Lord, Colossians 3:14. I pray that she will come to know the peace of Christ and that it will rule in their hearts, Colossians 3:15. Forgive me for walking in unforgiveness, I chose a path of forgiveness with no caveats, no excuses, and no exceptions. I ask you Lord for the Strength to do this. But thank You Lord, for all You did for me, the mother of our children and our children at the cross of Calvary... I know that there is no sin that I have committed in thought, word or deed that was not dealt with by the cross – for we are told that the only sin that cannot be forgiven is unbelief in You, Jesus- and I trust in You, Jesus Christ as my Savior. Thank You Jesus for continually being there for me, the mother of our children, my kids and my family. I lay all of this at your cross and pray in your beautiful, healing, unifying, reconciling, mighty name Jesus Christ. Amen

Guidance, wisdom, whatever

Mar 2, 2018

I am bothered now by an upcoming thing next week that may end up being disappointing to me but uplifting to someone else. I know that what I want to happen may not happen, due to schedules, tradition & too much running around & lack of space. However I just got what I think is a bright idea but not sure if it's okay with God and the other people involved. Thought it over from many angles & cannot see that anyone would be demeaned or hurt or "used". I just have to act on it but I need to know if this was an idea from God to make me feel better, or just a dumb human idea. Asking for signs from God or feedback from trusted humans as to whether to act on this. It's just a re-schedule & temporary change of people. And yes, I do overthink stuff mainly because I'm wired that way & because I've been wrong so often & would like to be right for once, & not offend anyone or cause raised eyebrows. Any ideas on how I know it's God or not? (Prayers? Please)

New job

Mar 1, 2018

Dear heavenly father, I come together with whoever feels the call to pray with me to ask for your miracle. My current job at uptown phone repair is the kind of work I have a passion for. The owner Eric has told me that his heart is not in that buisness and for him it is all about money. Buisness is slow and he told me I will have reduced pay and hours until I figure out where I want to transition too. He says he will likely sell everything and close down his buisness soon. I have found what I feel is a perfect opportunity. This new job I have applied for sounds great and carries many benefits, a good training program and comparable pay. It is also in the same field I have a passion in. I have a daughter and a fiancé to support so I really need to do what I can to make life better for us. The problem is as you know.. I am a army combat veteran with diagnosed ptsd and anxiety. This makes daily life difficult. This also causes me to have a rough time with interviews. I had a phone interview and I feel things could have gone much better. She said that tomorrow she will send an email to the candidates she selects for follow up interviews and go from there. There are not a lot of good repair companies like gophermods in this state and this is a huge opportunity. I have an interest in going to school in the future to become an electrical engineer. They offer tuition reimbursement, and training in areas that I am lacking for electronic repair. They also list values that I resonate with that they want their employees to follow. Treat others as we would want to be treated like family. Be systematic with your repair process, be inventive while thinking of solutions, customer first, and passion. I feel this opportunity could be a huge launchpad to help solve a lot of my immediate problem of losing my job, staying in the field I have a passion for, learning more and growing as a person and going after more later all while supporting our little family. I feel like I sabotage my opportunities with my anxiety and I can't seem to stop. The anxiety causes many awkward situations and I feel terrible like I treat people badly because of it. I ask and pray that I get the message for that follow up interview and not only that but the interview goes well and I am eventually offered the position. I ask and pray for your miracles, please help the anxiety and war trauma disappear. In Jesus name, amen.

Marriage reconciliation

Mar 1, 2018

Father I lift up all of those who's spouses have left and divorced. Bring them to a place of repentance. Holy Spirit cast them into a sleep and give them dreams of their marriages and that they need to return to the blessing that the father has given them. Show them that they are living a life of sin and that the grass is not greener on the other side of the mountain. Bring them home to You Father and back to their spouses and families. Don't let satan destroy any more families. Crush him under your heel. Bring forth Your healing touch that You will receive all of the glory. AMEN AMEN AND AMEN

An Epiphany

Mar 1, 2018

For God to speak to his heart and help him to realize the difference between right and wrong. For him to have an epiphany and have a new respect for the truth in all things and aspects of life. For satan's lies to be shown for what they really are--pure deceit that twists the truth. For him to realize I have not told him any lies or untruths. For him to know the truth and for the truth to set him free to live a new life. Father open his eyes. Show him what I cannot. May this man become a man after God's own heart. Bring conviction and let salvation come. To You be the Glory Lord. Alleluia. Amen.

I know

Mar 1, 2018

I know God never gets frustrated from hearing from all of us with prayers, rants, whatever other ways we communicate with God. Glad for that because I'm feeling pretty chatty lately to God. Praying God will guide me to a creative journaling path, as I have no idea which route to take. I'm not an artist or writer, just extremely chatty now, probably making up for lost time, feeling about to explode (not in a dangerous way more like a water balloon or something like that...). Any ideas on where to put it? On paper or online somewhere secure? Translate into an obscure foreign language & keep it password protected? Anyway.... wishing y'all meaningful happy healthy dreams every night hereafter. This is just the beginning of hopefully an expressive rest of my life. I need this or I will be lost

Even Now Bring Restoration

Mar 1, 2018

Please pray he can text me even today, Or overnight and I can read it in the morning. Please pray that we can choose kindness over being right for now. I just pray for a truce for now, so we can discuss what we need to. For us to both realize that pride is not worth fighting over, and that we both need to forgive each other to be able to move forward in to the future. Please pray for the waiting to be over and for only good things to come our way now. For peaceful sleep full of good dreams and memories of the past. For God to open his eyes, and to show him what I cannot. For him to become a man after God's own heart. For conversations blessed by GOD. For a moment of Joy in our Journey. For Favor that lasts for a Lifetime. For a Redemption to be Double and come like a Flood. For Heavenly Blessings to rain down on us. For a Spirit of Thanksgiving that out lasts the bad times. For Wisdom Flowing over All. God, YOU, are so Amazing. I am expecting blessings today. God bless.

I have never felt this low. Divorcing a cheating husband after 25 years he just told me the kids want to live with him in our home. That I should move out so he can have time with the kids. My daughter won't talk to me and my son doesn't want a parent. He'd prefer his dad who is a friend. I am numb. Confused. I feel God but I don't. Want to run away, but can't. I am despondent, ready to quit. Can't even get to my knees.

That there will be a manifestation of God's promises to cleanse him from his demons, and for him to be freed from these demons as we speak the word of God and HIS PROMISES over us. I need divine healing for his skin too as he has recurring rashes that look like eczema but not sure what it is. Finally, please pray for divine healing for a protruding rib on his left side which again Doctors don't seem to take seriously. Thank you all in advance and God bless you mightily.

I surrender all...

Mar 1, 2018

Got robbed on the bus earlier today...life has been really hard lately...just the tip of the iceberg...and YOUR WORD IS TRUTH, AND IN IT, I BELIEVE AND REST IN JESUS' NAME: Ps 34:17-19 The righteous cry, and the LORD hears And delivers them out of all their troubles. The LORD is near to the brokenhearted And saves those who are crushed in spirit. Many are the afflictions of the righteous, But the LORD delivers him out of them all....NASB AMEN!!!

Health and Welfare

Mar 1, 2018

Lord forgive me for being a glutton on occasion. Most of the time I am very disciplined. Please help me to trick my body into dropping pounds again. Help my body to become better at burning fat again. I had lost 70 pounds, but now it is coming back. Help me to figure out something new that works for me. Lord please heal me of all my food allergies, and pray that the latest breakout from food allergies would go away and not leave painful scars on my face and elsewhere. God bless. Amen.

Prayers for Family Loss of Farm

Mar 1, 2018

I am asking for prayers for a family that just lost their dairy farm. A farm that has been in their family for generations. The milk prices were too low for too long for them to survive financially. They're struggling financially and emotionally and have two precious little girls. They are hard workers and smart people. I pray that they lean on their friends, family and God for their strength and support in a time of tremendous hardship and heartbreak.

His grace is enough! Our Lord intervened on my behalf. I am going to have a chance to redeem myself. I am going to have a chance to show that I am good enough to work here. That I do not have a pattern of badness. LORD THANK YOU. I don't deserve this but you bless me anyway. Prayer works.

Many prayers needed for this family

Mar 1, 2018

God I pray a shield of protection around Tim and Kim's marriage. Having a blended family & having a mental illness puts extra stress on a marriage. Also have 2 unreliable jobs which creates a financial stress. I pray for job stability for both. They have many situations stacked against them that causes stress on their marriage. Satan wants nothing but to destroy this family. I pray that you give them strength to rise above it. I pray that they strengthen their relationship with you first and then their marriage. I pray that their pastor and church reach out to them and mentor them. Please Jesus in need of a miracle. Bring peace and calmness to their hearts and home.

Restoration

Mar 1, 2018

I have been married for 23 years and my combat veteran husband suffers from PTSD and TBI. He recently has greatly increased his alcohol intake. We have 3 children ages 16, 14, and 8, and we have all suffered his mood swings, anger outbursts, and verbal vomit. He recently stated he has lost his faith and no longer sees himself in relationship with God. My prayer is that God would restore and renew his heart, mind and soul. Thank you God for your protection over me and my children and for your love which allows us all to give my husband and their father love and grace no matter how difficult he is to love.

Job Problems Help Needed

Mar 1, 2018

Dear Lord, I am now working with a guy who has a lot of seniority. He is very hard to work with. I'm a very hard worker and yet this guy likes to give me orders. He makes things so stressful. He swear often and he has so many mood swings. I need this to end since they have assigned him to this area. I know he is a trouble maker at work and so that is why he is working in our area but this behavior of his needs to end. It has been so much and he gives dirty looks all the time. I am asking for grace since I know I need to speak up. Please guide my words. I could work with this guy if he would work with us. Every night it is a full out fire drill trying to get stuff done in the last 30 minutes and he never lets us know what the plan is? He contradicts himself and he can be very unfair. I pray for help now in the name of Jesus. Thank you Lord.

Today 2:15 Crisis Dr appt

Mar 1, 2018

Our 25 year old daughter has been struggling with some subtle discouragement and despair for awhile. In past 2 weeks—escalated fast to overwhelming fear, doubts, and confusion. She stayed at our home last night again and we prayed with her, went over verses etc. She is crying uncontrollably again—saying she is unable to deal with life. She wants to go to see a dr today for help—meds. I am fine with that—for now. There is another glitch—not all but part of her confusion and recent doubts stems from her choice to attend a church that has a bit different take on issues of the Holy Spirit. We are being careful but that is really messing with her in terms of what we understand and believe. Pray for God to help us to be Him to her—we desperately need His help!! And that she not share too much of this facet with the secular Dr today.

Lord, I Come with Expectations

Mar 1, 2018

Our Future Happiness: Everything has a season and a time. Each season prepares us for the next season. We need to squeeze out of each season as much as we possibly can, and to learn what the last season has prepared us for. Dear Lord, He told me that seeing me was like a dream. I pray he has very sweet dreams of us when we were young and even now, so much older and in a different season. I just ask that my relationship with him would be restored and redeemed with a double portion; we have missed so much time. He has told me that he cannot get me out of his head, so I just pray for him to have beautiful sweet dreams and memories of me and our times together while he sleeps. And even for him to even have wonderful thoughts and memories of us during the day in lucid thoughts and quiet moments, and for this time and the time we lost to be redeemed with more than a double portion. For him to be able to remember my true core self, and for him to find his own true self again as well, which has been lost to a sinful lifestyle, and satan's lies. For us both to be able to forgive each other for past wrongs; for us to each realize being kind is more important than being right is. For only honorable behavior to be shown towards me, and for protection for both of us from the seeds of fear that Satan tries to plant. I just pray that he will realize that satan is a liar, and the father of lies. I just pray we can spend positive time together soon. Pray for the complete Restoration of our relationship for both of us. I pray God is present in his dreams. Bless our time together with respect and honor as we discuss future plans together, and may it happen soon. Alleluia. Amen.

Help, wisdom, peaceful resolution

Mar 1, 2018

My former spouse and I are needing peaceful resolution on a parenting pickup concern, he recently moved in with his girlfriend and their newborn. He moved about 40 mins away and used to live only 10. We had an agreement to meet close when his parenting time ended but now he is making drive the distance to pickup children 2x a week. I am trying to negotiate w/ no success. Have spoke with attorney that he can not make this decision w/out a mutual agreement. Pray for his heart to soften and be able to work with me to get back on track. He also threatens will take me back to court if I pursue this to try to get more parenting time. However we have almost 50/50 free time already and he moved further away and wants to move even further in the future possibly. please pray for wisdom on my behalf as well and that he becomes more easy to work with. We have 11 more years of working together for the children. Also prayers attorney fees don't get too high and we can resolve quickly. Prayers also for his salvation, as he is unbeliever. Prayer for Medical Mission

Mar 1, 2018

Heavenly Father, Please go before WJ and her team, prepare their hearts and prepare the hearts of those they are there to care for. As WJ goes to this foreign land to serve others medically, I ask that you protect and provide for her children, her family and her friends that she has left behind. Give them strength and patience while they are looking forward to being reunited again with her. Remind all of them to pray too because You love to hear from your children. Lord I pray for the health of WJ and her team. I pray for the people that they will be treating, let their bodies be receptive to the healing they will receive in pre op and post op. I pray that You guide the hands and actions of the medical staff during all procedures. You are the Great Physician and I place their health in your hands. Father I pray that you grant them the time that they need to spend with you. Give them the moments of quiet time each day to meditate upon You and Your word, I pray that these moments they will hide Your Words in their Hearts and as they need it they will be able to call upon it in just the right moments. Lord I pray that you fulfill the joy of WJ, her team and their patients, help them to be likeminded, having the same love, being of one accord, of one heart. Let nothing be done through strife or vainglory; but in lowliness of mind let each esteem each other better than themselves. Father I pray for WJ and her team that you are sending to have open doors and when they open their mouths that you can use them as a vessel to speak Your love with great clarity. I pray that by their example they can touch and not only heal many lives but change many lives. Father remind them that they are in Your loving care and that You are always with them even when they are not able to spend time with the loved ones that they left behind. That they are never alone. Lord I pray that You prompt them to take time to rest and relax because their bodies will need it. Help them to know that relaxing is a good thing. Help them to remember that it is natural and a needed thing for medical missionaries to take a break. Father I pray that WJ and her team are strong in the Lord, and the power of Your might. I pray that they put on the whole armor of God, which they may be able to stand against the ways of the evil one. I pray that you place a hedge of protection not around them but around their loved ones they have left behind. Protect those that are seeking medical attention from this team. Lord I pray that you use WJ and her team in the way that is of Your will, not theirs. Let them do all of this work in Your Glory. I surrender all of this at the foot of Your cross and ask all of this in your beautiful, healing, protecting, guiding name, Jesus Christ... Amen.

Daughter speaking at the UN

Mar 1, 2018

I love how God is using our, daughter, Mikayla. Last November, she was the first woman with Down Syndrome to run in the Miss Minnesota USA pageant. Through it, she has touched so many lives and has given hope to so many families. She has been asked to speak at a women's conference on March 20th at the United Nations! With countries celebrating that they have "eradicated" Down Syndrome, Mikayla has been given a platform to show the world that people with Down Syndrome are created by God. We are asking for her to be covered in prayer. Pray before: to keep her healthy. To prepare those who need to hear the words spoken Pray during: 1:30-2:30 EST is the seminar with a couple of different speakers. Pray that God fills her and it is His voice and words spoken. That ears and hearts are opened. Pray afterwards: the enemy has a way of crashing the party. Pray protection over her as those who want to silence her voice cannot. Pray Psalms 31:8 to speak for those who cannot speak..

Marriage restoration

Mar 1, 2018

After 25yrs of marriage my wife left me. As of June we are legally divorced. Since then we were talking and hanging out every once and awhile. She text me last Monday that she met someone else and truly loves him. That really hurt. We are both Christians and I have to ask how this can all be happening. The Bible is crystal clear about divorce. We need prayer for restoration. So that we can be examples to others and to be the light the Jesus said we are supposed to be. I still have hope but I am devastated but I'm trying to release the whole thing to Jesus. His plans are not ours that's what I have to rest my hope on. I also need strength to continue to do his will and not mine. Thank you to all who will pray for us. God Bless you all. Thx Dave

T1d and Celiac son

Mar 1, 2018

Hi! So, my son was diagnosed T1d (Type 1 Diabetes) at 6 1/2 and he has been so angry and fighting everything. He is so uncooperative even down to washing his hands before testing, and not doing homework. I feel it's because of loss of control. He has so little control over so many things, that these things are things he can 'control'. He will scream and swear, throw things, puts holes in the walls, threatening his sister with scissors, etc. We've tried counseling, and that only made it worse because he didn't want to go. And won't try it again. I even tried taking him to his GP for maybe anxiety meds? His GP told basically I need to suck it up and be a tougher parent. Now (he's 10), he was just diagnosed with celiac. Now it's worse! I didn't think that was even possible. I'm at such a loss! I don't know what to do or what to try. I feel completely defeated. I really thought after 3+ years of T1 his attitude and behavior would be better, and it's not. And now this.

We need to be praying for our world

Mar 1, 2018

I was wondering the other day why would God allow such bad and negative destructive and violent things to happen? Sex trafficking, murders, abuse, people worshipping Satan, etc... Some people don't know better, they weren't brought up in a home to be focused on God. They never were introduced to the truth or are in a religion that's not teaching the truth, involved with false gods or something that will keep them in bondage. I'm just furious that we know such a loving God but all these terrible things are going on. I been in some warfare I can't even feel His presence anymore or get discernment from Him. I Don't know how much longer this will go on for but I'm at a loss right now. Its been effecting me a lot. Please pray for those who don't know God for their salvation and to be freed from sex slavery or some other slavery they may be in. To be free from abuse and anything that's hurting them. Pray for me to be set free from whatever this bondage is in Yahshua name.

I hope you see this Lord

Mar 1, 2018

Lord my God I don't feel like there's any point asking you again about the one thing that I'm was hoping for more than anything. 30 some years it took me to deduce what's most important in this life. Lord I'm a sinner and I don't like it. It seems as though I don't understand where I am. It seems apparent you've called upon me, for what I don't know. You've heard all the things I've been told I'm quite sure. What am I supposed to do with all of it? Do you have a purpose for me?

Expecting a Sign of Your Favor

Feb 28, 2018

Future Happiness Everything has a season and a time. Each season prepares us for the next season. And to squeeze out of each season as much as we possibly can, and wondering what this season has prepared us for. Dear Lord, He told me seeing me was like a dream. I pray he has very sweet dreams of us when we were young and even now, so much older and in a different season. I just ask that my relationship with him would be restored and redeemed with a double portion; we have missed so much time. He has told me that he cannot get me out of his head, so I just pray for him to have beautiful sweet dreams and memories of me and our times together while he sleeps. And even for him to even have wonderful thoughts and memories of us during the day in lucid thoughts and quiet moments, and for this time and the time we lost to be redeemed with more than a double portion. For him to be able to remember my true core self, and for him to find his own true self again as well, which has been lost to a sinful lifestyle, and satan's lies. For us to both to be able to forgive each other for past wrongs. For only honorable behavior to be shown towards me, and for protection for both of us from the seeds of fear that Satan tries to plant. I just pray that he will realize that satan is a liar, and the father of lies. I just pray we can spend positive time together soon. Pray for complete Restoration of our relationship for both of us. I pray God is present in his dreams. Bless our time together with respect and honor as we discuss future plans together, and may it happen soon. Alleluia. Amen.
